RE: 2009-2010 School Year General Information

Enclosed are the **2009-2010 School Board Goals** showing the specific direction being taken for the upcoming school year. The Board would like to urge your involvement with discussions at your school as well as at the Board level, of these important topics.

Please remember to send a copy of your minutes (unapproved is fine) to Sally Tachick, my secretary; as soon after meetings as possible. I review these and learn valuable information about your school and community. The minutes can be sent to:

Mail: 148 N. Binkley, Soldotna, Alaska 99669

Fax: (907) 262-9132

Email: stachick@kpbsd.k12.ak.us

This school year there will be two districtwide parent group and site council training sessions (see attached agendas for **October 8, 2009** and **January 28, 2010**). Please check with your administrator to make sure that a representative (an officer if possible) has been designated to attend. Schools are welcome to send more than one person for training; unfortunately there are no travel funds available.

As always, thank you for your willingness to serve. Have a great year.
