Attn.: Carla Salzer

RE: EST Strategic Partners in Alaska

Dear: Carla

As discussed this morning, all of our EST Strategic Partners have a defined marketing area in which they can sell and work on our EST fire alarm life safety systems. Each Strategic Partner's agreement provides them with a defined primary marketing territory, which they can market EST fire alarm and life safety equipment. The SPs are not allowed to sell EST outside of their primary marketing zone without expressed permission from EST. In Alaska we currently have two Strategic Partners who are authorized to sell EST product in the State.

ATS Alaska is located at 139 E. 51st Ave. Suite 101, Anchorage, AK 99518, Phone 907.868.5100

Engineered Fire & Safety is located at 3138 Commercial Drive, Anchorage, AK 99501, Phone 907.274.7973

The School District can buy EST products from either of the two above companies and EST will honor our warrantee on the equipment purchased.

We trust that the above information is self explanatory, but if there are any questions, please feel free to call me at your convenience.

Yours truly

Don Bell

SCHOOL BOARD COMMUNICATION										
Title:	Change to ASPI Calculation for Alternative and Small Schools									
Date:	June 15, 2014	Item Number:	General Information							
Administrator:	Steve Atwater, Ph.D. Roak Superintendent of Schools									
Attachments:										
Action Needed For Discussion X Information Other:										

BACKGROUND INFORMATION

At its June meeting the State Board of Education and Early Development altered the Alaska School Performance Index formula to more realistically calculate the star rating for alternative and small rural schools. The change relaxes attendance and graduation expectations for such schools. Kenai Alternative, Homer Flex, Port Graham, Cooper Landing, Hope, Razdolna, Kachemak-Selo, Nanwalek, Ninilchik and Tebughna will, or may be, affected by the changes. Note that Ninilchik would only on rare occasion use the alternative graduation rate calculation.

With attendance rate, an alternative school can now gain maximum points with a rate of 88% or greater. Other schools receive maximum points with a 96% attendance rate. The graduation rate needed for maximum points for alternative schools was lowered to 75% or higher. Other high schools receive maximum points with a 98% or higher graduation rate.

For schools that have six or fewer students in either the four-year or five-year graduation cohort the graduation rate will now be calculated by aggregating the graduation rate data for up to three consecutive years so that the aggregated cohort is greater than six. For example, Port Graham having a cohort of 3 one year, 2 the next and 3 the following year would allow a graduation rate calculation for this school. A smaller school such as Hope or Cooper Landing that does not have the required 7 in the three consecutive years would not include the graduation rate as a part of their ASPI calculation.

I am pleased that the State Board adopted these changes; it is good to know that they are responding to input on the realities of the varied size and type of schools in our state. As an aside, we are requesting that DEED continue to examine attendance rate calculations to provide schools with more leeway in this area.

- 2. That his/her Employer transfers the above stated funds on Employee's behalf to OMNI for remittance to the selected Service Provider(s).
- 3. This SRA is legally binding and irrevocable with respect to amounts paid.
- 4. This SRA may be changed with respect to amounts not yet paid.
- 5. This SRA may be terminated at any time for amounts not yet paid or available, and that a termination request is permanent and remains in effect until a new SRA is submitted.
- 6. (a) That OMNI does not choose the annuity contract or custodial account in which your contributions are invested.
 - (b) OMNI does not endorse any authorized Service Provider, nor is it responsible for any investments.
 - (c) OMNI makes no representation regarding the advisability, appropriateness, or tax consequences of the purchase of the TSA and/or CA described herein.
 - (d) (i) OMNI shall not have any liability whatsoever for any and all losses suffered by Employee with regard to his/her selection of the TSA and/or CA, its terms, the selection of any service provider, the financial condition, operation of or benefits provided by said service provider, or his/her selection and purchase of shares by any service provider. Nothing herein shall affect the terms of employment between Employer and Employee.
 - (ii) Employee acknowledges that Employer has made no representation to Employee regarding the advisability, appropriateness, or tax consequences of the purchase of the annuity and/or custodial account described herein.
 - (iii) The Employer shall not have any liability for any and all losses suffered by an Employee with regard to the selection(s) of any TSA and/or CA, any related terms and conditions, the selection of any service provider, the financial condition, operation of or benefits provided by any service provider or the selection and purchase of shares by any service provider.
- 7. To be responsible for setting up and signing the legal documents necessary to establish a TSA or CA.
- 8. To be responsible for naming a death beneficiary under their TSA or CA. This is normally done at the time the contract or account is established. Beneficiary designations should be reviewed periodically.
- 9. When provided all required information in a timely manner, OMNI is responsible for determining that salary reductions do not exceed the allowable contribution limits under applicable law, and will complete MAC calculations as required by law.
- 10. To contact OMNI and complete the appropriate OMNI forms for any requests for distributions, loans, hardship withdrawals, account exchanges plan-to-plan transfers or rollover contributions. Processing fees for the foregoing transactions may apply.
- 11. This SRA is subject to the terms of the Services Agreement between OMNI and Employer, and to the Information Sharing Agreement between OMNI and the Service Providers, copies of which may be obtained from Employer.
- 12. This agreement supercedes all prior salary reduction agreements and shall automatically terminate if Employee's employment is terminated.

Part 5: Employee Signature (Mandatory)

I certify that I have read this complete agreement and that my requested salary reduction(s), if in excess of my base limit, represent(s) my wish to utilize any catch-up provisions for which I may be eligible. ASAA PARENT AND STUDENT VERIFICATION OF RECEIPT OF INFORMATION CONCERNING CONCUSSIONS

In accordance with AS 14.20.142, the School District requires that each athlete, and each minor athlete's parent/guardian, receive written information on the nature and risks of concussions each year. Students may not participate in school athletic activities unless the student and parent/guardian of a student who is under 18 years of age have signed a current verification that they have received the information provided by the District. Parents will be provided with a pamphlet provided by the Alaska School Activities Association entitled "A Parent's Guide to Concussions in Sports." Students will be provided with a fact sheet produced by the U.S. Dept. of Health and Human Services Centers for Disease Control and Prevention entitled "Head's Up: Concussion in High School Sports – A Fact Sheet for Athletes." Students who are 18 years of age or older will also be provided with the Parent's Guide.

Parents and Students should review this information, discuss it at home, and direct any questions to the student's coach, school principal or athletic activities director.

I acknowledge that I have received a copy of "Head's Up: Concussion in High School Sports – A Fact Sheet for Athletes" and understand its contents. Student Signature Print Name Date

ASAA HEALTHCARE PROVIDER RELEASE AND RETURN TO PLAY PROTOCOL (RTP)

Student Name:		
Sport:	School:	Birthdate:
Date of Injury:	Description:	

IMPORTANT NOTE TO HEALTHCARE PROVIDER

Per AS 14.30.142, as amended, a student who has been removed from participation in a practice or game for suspicion of concussion may not return to play until the student has been evaluated and cleared for participation by an Athletic Trainer OR by a qualified person who verifies that he or she is currently trained in the evaluation and management of concussions. "Qualified person" means either:

- 1) A health care provider licensed in Alaska, or exempt from licensure under Alaska law(AS 08.64.370(1), (2), or (4), **OR**
- 2) a person acting at the direction and under the supervision of a physician licensed in Alaska, or exempt from licensure.

As interpreted by ASAA, Athletic Trainer means a Certified Athletic Trainer. KPBSD Policy AR 6145.22 does not allow trainers to sign. As interpreted by ASAA, "Trained" means that the provider:

- 1) Has completed the online CDC Concussion Course for Clinicians (www.preventingconcussions.org) in the last two years, **AND**
- 2) Has **a)** completed 2 hours of CME in Sports Concussion Management in the last 2 years, or **b)** has completed a one-year Sports Medicine Fellowship, a Certifacte of Added Qualifications in Sports Medicine, or a Residency in Neurology or Neurosurgery.

IF YOU DO NOT MEET THESE CRITERIA, PLEASE REFER THE STUDENT ATHLETE TO A HEALTHCARE PROVIDER WHO DOES

If an athlete is removed from participation in an activity because of a suspected concussion:

BUT is found **not to have a concussion**, the athlete's return to play should be determined by the athlete's medical provider in accordance with the provider's assessment of the athlete's condition and readiness to participate;

AND is <u>determined to have sustained a concussion</u>, the athlete's readiness to return to participation should be assessed in accordance with the Alaska School Activities Association's graduated Return to Play (RTP) protocol. All student athletes with a concussion must successfully complete an appropriate RTP Protocol that lasts a minimum of six days before resuming full athletic activity. The Return to Play protocol recommended by ASAA's Sports Medicine Advisory Committee is described below.

Students should begin with a period of complete rest in which they avoid cognitive and physical exertion. As symptoms diminish, and the athlete feels able, he/she can begin trials of cognitive work, e.g. reading, texting, computer, TV, school. The introduction of cognitive work should be in short increments which increase progressively in length and intensity so long as concussion symptoms do not recur or worsen. When several hours of cognitive work are well tolerated at home, then attendance at a half day of school is appropriate. When a full day of school is tolerated, then homework may be added. Academic accommodations may be necessary for student athletes as they return to school following a concussion. If cognitive work at any time provokes or exacerbates symptoms, then the work should be discontinued, additional cognitive work should be minimized until symptoms regress, and the student can attempt to advance cognitive work again on the following day.

Only when the concussion symptoms have been entirely absent for 24 hours, does Day 1 of the progressive return to physical activity begin. The **Return To Play Protocol** is to take place over a **minimum of six days, with at least 24 hours between each step.** The rate of progression through the steps in the program should be individualized. Factors which may slow the rate are young age, history of previous concussions, number/severity/duration of concussion symptoms, medical risk factors, and the concussion risk of the sports to which the athlete will return. Physical or cognitive activity that provokes recurrence of concussive symptoms will delay recovery and increase the risk of future concussion. Therefore, if symptoms recur at any step, then physical activity should stop until 24 hours after resolution of the symptoms, and then resume at the previous step.

Begin when symptom free for 24 hours. 15 min of light aerobic activity: walk, swim, stationary bike. NO resistance training. 30 min light-moderate aerobic activity: jog, more intense walk, swim, stationary bike. NO resistance training. START PE class at previous day's activity level. SCHOOL BOARD COMMUNICATION					
Title:	Change to Fresh Fruit Vegetable Snack Program				
Date:	June 15, 2014	Item Number:	General Information		
Administrator:	Steve Atwater, Ph.D. Superintendent of Schools Road

Action Needed For Discussion x Information Other:					
BACKGPOLIND IN	IEOPMATION				

- Beginning in 2004, President George W. Bush, via the USDA and congressional support, established the Fresh Fruit and Vegetable Snack Program (FFVP) as a provision to public schools participating in the National School Lunch Program (NSLP).
- FFVP programs are established as a snack provision to K-6 students enrolled in a school with a population of 40% or more qualifying for Free/Reduced Priced USDA school meals.
- In 2004, KPBSD was authorized for FFVP service to: Tebughna, Chapman, Nanwalek, and Port Graham schools.
- Due to an increase in the cost of fruits and vegetables, if snacks are served 3 of every 5 school attendance days, SNS anticipates depletion of the FFVP funds by January 2015. In response, SNS will reduce service to 2 times per week in order to allow this program to extend longer into the school year.

The change to serving 2 days per week will affect staffing and employee hours. Please note that wages and benefits for FFVP employees are paid from the Student Nutrition Services Fund. The total amount of employee hours lost will be 17.25 per week for the 10 employees. For some SNS staff this change will mean a reduction of hours per week ranging from 1 to 3.5. For others, it will be the elimination of their position. Because this is a grant funded program, the employees were advised of the tenuous status of their employment when they were hired.

Please also note that because Seward Elementary no longer qualifies for this program, they will not have an FFVP employee for the 2014-2015 school year.

RE: Kenai Peninsula Borough School District (KSD) Records Retention

Schedule

The School District uses the revised Model Records Retention Schedule for Alaska School Districts issued by the State of Alaska Archives and Records Management Program as a guideline for establishing the district records retention schedule.

It has come to my attention that although the Archives and Records Management Program suggests a retention period of 3 years for Accounts Payable (A/P) Voucher Files (KSD01), that period is not long enough. A 3 year retention period does not satisfy the statute of limitations for grant reporting.

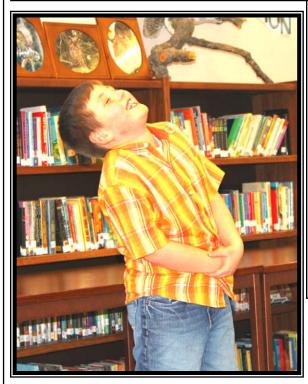

Please change the retention period of the KSD01 records from Thru + 3 to Thru + 5 effective immediately. The additional 2 year retention will be sufficient to satisfy the statute of limitations period required for grants.

In the event there is a disparity between this Handbook and Policy, policy will always take precedence.

The KPBSD would like to thank all the photographers and students featured in this publication. A special thanks to Don Pitcher of www.pitcherphotography.com for allowing us to use some of his photos.

The Kenai Peninsula Borough School District is an Equal Opportunity Employer.

KPBSD Mission

The mission of the Kenai Peninsula Borough School District is to develop productive, responsible citizens who are prepared to be successful in a dynamic world.

KPBSD Vision

We envision KPBSD students engage in their learning, participate in their community, reach high levels of achievement, and graduate prepared for their future.

Guiding Principles of the KPBSD

- Each person can learn and be successful.
- Each student is recognized as unique, valuable, and is treated with respect and dignity.
- Learning is a lifelong process.
- Early identification of strengths and weaknesses is crucial to ensure overall development and achievement.
- Our students' educational experience depends on understanding and working with diverse communities.
- Educational environment is safe, engaging and purposeful.
- High standards and expectations are essential for student success and preventing student failure.
- Continuous improvement is student-centered, data-driven, and collaborative.
- Differentiated learning opportunities are integral to all instruction.
- Students are challenged by a rigorous curriculum.
- Collaboration and effective instruction are district commitments.
- Teachers are facilitators of learning and agents of inspiration.
- KPBSD graduates are post-secondary and/or career ready.
- All financial decisions are student centered and sustainable.

ACKNOWLEDGEMENT OF RECEIPT OF 2014-15 KENAI PENINSULA BOROUGH SCHOOL DISTRICT PARENT/STUDENT HANDBOOK

Name of Student _____

acknowledge that our family has received a copy of the link to the <i>Parent/Student Handbook</i> . We understand that this andbook contains links to some of the more relevant Board policies, pertinent information my student needs to known discipline procedures. We have read and understand the information contained in the handbook. In the event here is a disparity between this handbook and policy, policy will always take precedence.
We understand and consent to the responsibilities outlined in the District's student code of conduct. We also under tand and agree that our child shall be held accountable for the behavior and consequences outlined in the student ode of conduct at school and at school-sponsored and school-related activities, including school-sponsored travel, and or any school-related misconduct, regardless of time or location. We understand that any student who violates the student code of conduct at school or at school-related activities shall be subject to disciplinary action.
We understand that most of the general school information, rules, and student code of conduct are in this handboon and it is the responsibility of the student to familiarize himself or herself with this information. Students will be held esponsible for all information within this handbook, even if this page is not returned to the school. If there is any question about something that is not covered in this handbook, it is also the responsibility of the student to secure the answer from the teachers or office personnel. PLEASE COMPLETE AND RETURN TO YOUR SCHOOL

Welcome to the Kenai Peninsula Borough School District

Hello Parents, Guardians and Students,

It is my pleasure to welcome you to the 2014-15 school year, please join me in celebrating the District's 50th anniversary. This handbook is designed to be your reference document for our school district; I trust that it will be useful. On the following pages you will find many of the policies, regulations and practices that the District follows. I encourage you to become familiar with these as a way to help you answer many of your school related questions. You can also find copies of all KPBSD policies (BPs) and regulations (ARs), adopted by our Board of Education, on our website (http://www.kpbsd.k12.ak.us). Please note that our website is updated throughout the year with new or revised policies and regulations.

In addition to this handbook, your child's school will provide you and your student(s) with site-specific rules and expectations. Please be supportive of this information as it is vital to a positive school climate, and the safety and

welfare of our students. The District takes the responsibility of the education and safety of our students while at school or on an activity very seriously.

I know that all of our staff takes great pride in providing our students with the best possible learning environment and opportunities. In addition, the District's curriculum is designed to provide the framework that will prepare our students for the post-graduation endeavor of their choice. Please feel free to provide input to our principals on what your school(s) is offering your child(ren) the District is receptive to your views on our school(s). KPBSD depends on the home to play a significant role in our students' education. As such, it is critical that all of our students know that their parents, guardians, relatives and friends are supportive of the schooling process. A student without this collective support may at times be at a loss to find the necessary focus to excel at his or her studies.

Looking back on last year, I know that the District took several steps of improvement and identified areas where we need to do more. I am pleased that our strategic plan continues to focus our efforts to do all that we can to prepare our students for life after high school.

As you can, please make a point of visiting our schools. We welcome parents and the community into our buildings. For safety purposes, please stop at the office and sign in. I look forward to seeing you at our schools and in our communities and send my best wishes for a fulfilling and productive year.

Sincerely,

Dr. Steve Atwater
Superintendent

AHERA SCHOOL MANAGEMENT PLANS

This information is provided annually to schools by the KPBSD Planning and Operations Department. Your school will provide you with this information in the school newsletter.

As mandated by Federal Regulation 40 CFR PART 763, known as the Asbestos Hazard Emergency Response Act (AHERA), local educational agencies are to notify parents/guardians/students in writing about the existence and location of AHERA School Management Plans for individual school buildings. Also required by regulation is the notification of all related asbestos activities that occurred during the previous year.

Currently, all AHERA School Management Plans are located at the Kenai Peninsula Borough

School District's Planning and Operations Office and the Kenai Peninsula Borough's Maintenance Office. Each school's administrative office maintains a copy of its individual School Management Plan. Plans may be inspected at any of these sites.

If you have any questions concerning the AHERA School Management Plans or asbestos-related activities, contact your school principal or the Director of Planning and Operations) at (907) 714-8875.

Each year, the Kenai Peninsula Borough School District assesses student achievement throughout the District using a variety of measures: (The descriptions of assessments are posted on http://www.kpbsd.k12.ak.us/departments.aspx?id=26368.)

ASSESSMENT

Assessment tests measure skills, knowledge, and performance in different ways. The test results are reported to the public, the Board of Education, teachers, parents, and students. Results gathered from these assessments provide information about program and individual learner strengths and is used at the building and classroom levels to develop instructional goals for improvement.

The <u>Large-Scale Assessments by Grade</u> calendar of assessment dates is on the following page.

ATTENDANCE

BP 5112.1, AR 5112.1, BP 5113, AR 5113, BP 5121 Good attendance is critical to your student's success in school. When students are absent or late, they fall behind in their studies and may find it difficult to "catch up" with their peers. Ensuring that students arrive on time, ready for class, is one of the most important roles that families can play. This teaches students valuable lessons about trustworthiness and responsibility, character traits they'll need when they enter the world of work. When students fail to attend classes without an excuse, their parents or guardians are breaking the law.

When students who have been absent return to school, they must present a satisfactory explanation verifying the reason for the absence. The following methods may be used to verify student absences:

ELP - Identified ELL students only

- Written note from parent/guardian or parentrepresentative.
- Conversation, in person or by telephone, between the verifying employee and the student's parent/guardian or parent representative.
- Visit to the student's home by the verifying employee.
- The student may self-excuse their absence if they are 18 years of age or older and are living independently.
- The principal may excuse a student's absence if they are under the age of eighteen and are living independently.
- Any other reasonable method which establishes the fact that the student was actually absent for the reasons stated. A written recording shall be made, including information outlined above.

Prearranged Absences

When students contemplate absence for personal rea-

sons, their parents/guardians should write the principal to ask that the expected absence be excused. The principal or designee may deny the request if he/she believes the absence would be educationally harmful to the student or set a poor example in matters of school attendance for the student or other students. If the request is denied, reasons will be given.

Truancy

A student must have good attendance to receive a good education. Unless a child subject to compulsory attendance laws is exempted, excluded, suspended or expelled from school attendance, each five days of unlawful absence constitutes a separate violation of state law (A.S. 14.30.020).

The parents/guardians shall be notified of any unexcused absences of their child and informed of state compulsory attendance laws (A.S. 14.30.010). Any student found in violation of District truancy policy shall be referred to the intervention team in the school in which they are enrolled for the purpose of developing strategies in resolving truant behavior. Chronic truancy cases are referred to the district attorney's office.

BUILDING USE

<u>BP1330</u> / <u>AR 1330</u> / <u>E 1330a</u> Communities throughout the District are encouraged to use school facilities for civic, educational, cultural and recreational purposes. Of course school related activities shall take precedence over other use of school facilities.

The application procedure is very simple; just contact the principal of the school at least ten days before the date when facilities are to be used. Event insurance and concussion certification are required.

Board of Education approved programs, such as PAC's, band and orchestra, drama and other school clubs shall be allowed rent-free use of school facilities for meetings or activities. Fees may be charged for technical or special services.

To use the school theatre/auditorium facilities, a minimum of 30 days is necessary and permits are issued on a first come, first served basis.

For more information regarding fees, scheduling or facility capacity, please contact the schools.

BUSING OF KINDERGARTNERS

Per busing guidelines and for the safety of students, while at the student's bus stop, preschool and kindergarten students are expected to be escorted by their parents/guardians to the steps of the bus before school, and are to be met at the steps of the bus after school by their parents/guardians.

BUS CONDUCT

<u>BP 5131.1</u> / <u>AR 5131.1</u> Bus transportation is a privilege extended only to students who display good conduct while preparing to ride, riding or leaving the bus. Because school bus passengers' behavior can directly affect their safety and the safety of others, the following regulations apply at all times when students are riding a school bus, including field trips and other special trips. School personnel, parents/guardians, and the students themselves must see that these regulations are followed. Riders shall follow the instructions and directions of the bus driver promptly and courteously at all times.

- Riders should arrive at the bus stop on time and stand in a safe place to wait quietly for the bus.
- Riders shall enter the bus in an orderly manner and go directly to their seats.
- Riders shall remain seated while the bus is in motion and shall not obstruct the aisle with their legs, feet, or other objects. When reaching their destination, riders shall remain seated until the bus stops and only then enter the aisle and go directly to the exit.
- Each student may be assigned a seat in which she/he will remain at all times unless permission to change is given by the principal or driver.
- Serious safety hazards can result from noise or behavior that distracts the driver. Loud talking, laughing, yelling, singing, whistling, scuffling, throwing objects, smoking, eating, drinking, standing, swearing, rude gestures, cruel
 - teasing or "put downs", and changing seats are prohibited actions which may lead to suspension of riding privileges.
- No part of the body, hands, arms, or head should extend out the window. Nothing should be thrown from the bus.
- Riders shall help keep the bus and the area around the bus stop clean. Riders shall not damage or deface the bus or tamper with bus equipment.
- No animals or insects shall be allowed on the bus, unless qualified as a service animal.
- Riders should be alert for traffic when leaving the bus.

Riders who fail to comply with the above rules will be reported to the school principal, who will determine the severity of the misconduct and take action accordingly. For minor instances of misconduct, the rider and his/her parent or guardian will be given notice and warning. In the case of a severe violation or repeated offenses, the rider may be denied transportation for a period of time determined by the principal, up to the remainder of the school year.

Bus drivers shall not deny transportation except as directed by the principal.

CAREER PATHWAYS

Each middle and high school student will develop a "Personal Learning and Career Plan" (PLCP) based on identified Career Pathways and areas of study. Students who focus on a Career Pathway can acquire the skills necessary for entry into careers with a high potential for financial growth and increased levels of engagement. Each student's PLCP will utilize the Alaska Career Information System electronic portfolio in planning their education giving them the tools for a successful future in a chosen career. The Career Clusters are located at www.kpbsd.k12.ak.us/departments.aspx?id=22776.

CHILD FIND—EDUCATIONAL SERVICES FOR EXCEPTIONAL CHILDREN

<u>BP 6164.4</u> / <u>AR 6165.4</u> The Individuals with Disabilities Education Act, amended in 2004 mandates a free, appropriate public education for each exceptional child who attends school. To meet the requirements, the Kenai Peninsula Borough School District provides the following:

- Assurance of extensive child identification procedures
- Assurance of "full service" goals and detailed timetables
- A guarantee of complete due process procedures
- Assurance of parent or guardian participation
- Maintenance of programs and procedures for personnel
- Assurance of special education provided in the "least restrictive" environment
- Assurance of nondiscriminatory testing evaluation
- Assurance of the maintenance of an individualized program for each identified child
- A guarantee of policies and procedures to protect the confidentiality of data and information

A team of special services personnel, including the director, program managers, specialists and special services teachers and aides, work together with all District staff members to provide services to students with disabilities in the District. These include:

- Speech and language services
- Assistive technology services
- Visual impairment services
- Preschool disabled services
- Hearing impairment services
- Emotionally disabled services
- Adaptive P.E. services
- Learning disabled services
- Physical & occupational therapy
- Psychological services
- CHILDFIND services (first step in the identification process for children ages 3 through 21; clinics held throughout the year in each community, call 714-8881 for more information).

Special services take a variety of forms across the District's elementary and high school programs. The development of an individual education program is the responsibility of a child study team, composed of the student's parent(s), classroom teacher(s), principal, appropriate specialists and special services teacher. Students are encouraged to take part in their program planning when possible. For information regarding special services, contact your school principal or Pupil Services at 714-8881.

COCURRICULAR ACTIVITIES

BP6145 / AR 6145 The Kenai Peninsula Borough School District recognizes that cocurricular activities enrich the educational and social development and experiences of students and shall maintain a program for students participating in extra/cocurricular activities which compliment the integrity and purpose of the educational program. District sponsored cocurricular activities shall be approved by the Board of Education, administered by the Kenai Peninsula School Activities Association, and supervised by the building administrator.

Emphasis shall be given to the ideals of sportsmanship, fair play, and ethical conduct by students, coaches, advisors, and spectators.

Participation in activities is a privilege to be granted to those students who meet the minimum standards of eligibility adopted by the KPBSD and those additional standards established by each school for its own students. See the most current KPSAA Handbook version at your student's school's administration office or on the District's web site http://bit.ly/KPBSDKPSAA.

COMMUNICATION BETWEEN HOME AND SCHOOL

BP 5124 Good communication between home and school regarding a child's education is essential for the student to make the most of the opportunities provided. Communication includes progress reports, student work, email, phone calls and/or requests for conferences—initiated by the school or the parent—on how the parent can support learning. A parent who wants to schedule a phone or in-person conference with a teacher, counselor, or principal should call the school office for an appointment.

DISCIPLINE

BP5144 / AR 5144 Each principal shall publish school rules for student discipline which describe the school's behavior management plan and consequences for student misconduct.

School site rules must be strictly based on District policy, regulation, state and federal laws and be enforced fairly and uniformly. The Superintendent or designee shall establish procedures for the approval of such rules.

Corporal Punishment

Corporal punishment is prohibited by law as a disciplinary measure against any student. School administrators and teachers shall employ other means of disciplining students. (4 AAC 07.900)

The prohibition on corporal punishment does not prevent the use of reasonable and appropriate force by a teacher or other supervising employee which is necessary to maintain order to protect student welfare. Reasonable and necessary force or physical restraint against a student may be used to protect the student, or others, from physical injury; to obtain possession of a weapon or other dangerous objects; to maintain reasonable order in the classroom or on school grounds;

or to protect property from serious damage or destruction. The force shall not be greater than necessary to control the misconduct or dangerous situation. In no event may deadly force be used against a student.

BULLYING

Warning signs that your child is a bully's victim

Many children do not tell their parent or adults at school about being bullied. It is important that adults are vigilant to the possible signs of bullying. Warning signs:

- Comes home with torn, damaged, or missing belongings
- Has unexplained cuts, bruises, and scratches
- Has few, if any, friends with whom he or she spends time
- Seems afraid of going to school, walking to and from school, riding the school bus, or taking part in organized activities with peers (such as clubs)
- Takes a long, "illogical" route when walking to or from school
- Has lost interest in school work or suddenly begins to do poorly in school
- Appears sad, moody, teary, or depressed when he or she comes home
- Complains frequently of headaches, stomach aches, or other physical ailments
- Has trouble sleeping or has frequent bad dreams
- Experiences a loss of appetite, or
- Appears anxious and suffers from low self-esteem

What to do if you suspect that your child is being bullied: If your child shows any of these signs, this does not necessarily mean that he or she is being bullied, but it is a possibility worth exploring.

- Talk with your child. Tell your child that you're concerned and that you'd like to help. Ask questions to get the discussion going.
- Talk with the staff at your child's school. Teachers are usually in the best position to understand the relationships between your child and other peers. If you are not comfortable with your child's teacher or if you are not satisfied with the conversation, talk to the guidance counselor or principal.
- If your child is being bullied, take quick action. If you don't suspect that your child is being bullied, stay vigilant to other possible problems that your child may be having.

In addition to subjecting a student to discipline, any crime committed by a student while at school, on school grounds, or during any school sponsored activity on or off campus shall be reported to law enforcement. Criminal proceedings are independent of actions taken by the School District. The District may impose discipline for misconduct regardless of whether criminal charges are filed or a conviction is obtained. The Superintendent works to ensure cooperation with law enforcement in the criminal investigation of students who commit crimes while under the jurisdiction of the school.

ior. Specific infractions that are a violation of Board Policy do show the specific policy violated in the parenthesis after the infraction or under the discipline column. In addition to these being violations of Board Policy, they also may be violations of your school's procedures. See your individual school's handbook.

This guide includes disciplines regarding bullying (BP 5131.43), (BP 5131.41), (BP 5137), (BP 0210), drugs and alcohol (BP 5131.6), harassment issues (BP 5131.41), (BP 4119.12), (AR 4119.12), tobacco (BP 3513.3, BP 5131.62), vandalism, theft and graffiti (BP 5131.5), (BP 3531), (BP 3531), (BP 3515), (BP 5137), and weapons (BP 5131.7), (AR 5131.7), (BP 5131.41). For further details on these topics, please refer to the linked policies. The list is exemplary only. There are acts of misbehavior or violations of law or school regulations that may not be included in this list. In such instances, disciplinary action will be at the discretion of the Principal and/or Superintendent with understanding that the response and penalties will conform to District policy, state law, and regulations of the state and District.

Due Process

<u>BP 5144.11</u> / <u>AR 5144.11</u> / <u>E 5144.11a</u> A principal or designee shall conduct an informal hearing when there is cause to believe that a student has violated law, policy, regulation or school rules that could result in disciplinary action. The meeting requires no prior notice.

The student shall be provided:

- Oral or written notice of the charges
- An explanation of the evidence
- An opportunity to present the student's view of the incident
- An explanation of the sanctions

A reasonable attempt will be made to contact the parent(s)/guardian(s) orally prior to the suspension. The student's parents/guardians shall be notified in writing of the principal's decision to suspend the student from school as soon as practical.

Suspended students shall not be permitted to access any Kenai Peninsula Borough School District property or to attend or participate in any District school-related or school supervised activities during the period of suspension without prior administrative approval.

When a student's continued presence in school constitutes a threat to persons, property, or to the academic programs, he/she may be immediately removed from school. The informal hearing shall be conducted within a reasonable time and any subsequent suspension shall recognize the days removed from school.

Suspensions of 10 days or less are not subject to appeal.

- Parents, or students who have reached the age of majority, who wish to appeal disciplinary decisions exceeding ten-day suspensions, shall submit their appeal to the principal on the prescribed <u>E 5144.11 Notice of Appeal</u> form. The appeal must be submitted within five school days of the informal hearing, or, in cases where expulsion is recommended, within five days of receipt of written notice for expulsion. The suspension or other disciplinary action shall not be stayed pending this appeal.
- 2. The principal will appoint an appeal hearing officer who will conduct a Level I formal hearing. Such hearing is to be conducted within five school days of the appeal request and according to defined procedures. A decision will be made by the hearing officer within three school days of the hearing. Appeals of recommendations for expulsion will ascend directly to the Superintendent.

- 3. In the event of an appeal the student and parent/guardian will be provided:
 - a. Written and, if possible, oral notice of the following: the charges, potential consequences, and the date, time, place and manner of the hearing to be conducted.
 - b. An explanation of the evidence and an opportunity to present the student's view of the incident.
 - c. An opportunity to call witnesses on his/her behalf.
 - d. The right to have parent/guardian present, and to secure and have legal counsel and/or advocate present.
 - e. The parents/guardian and the student will be given a written decision within 3 days of the hearing.

- 4. The decision of the hearing officer suspending the student from school for eleven school days or more may be appealed in writing to the Superintendent within ten school days of receipt of the hearing officer's decision letter via certified mail. The Superintendent will conduct the hearing. Hearing procedures shall conform to those of a formal hearing defined elsewhere in this regulation. A decision shall be issued by the Superintendent within three school days and shall be sent to the school, student and parent/guardian.
- 5. Decisions of the Superintendent regarding suspensions may be appealed in writing to the Board within ten school days of receipt of the Superintendent's decision via certified mail. The Board shall conduct a hearing at the next available regular meeting and the Board's decision shall be distributed within three school days.

EMERGENCIES						
Address Change	All changes or additions for address, telephone number(s), cell phone number MUST be reported to the school office. This includes changes in an emergency contact number.					
Evacuation Procedures	Practiced regularly as required by law. Information specific to procedures that are to be followed for evacuation and for lock down (required in cases of threats) will be explained by teachers. Following are general rules all students should follow in cases of evacuation: Leave rooms by designated routes Walk rapidly and orderly in single file Be quiet and obedient Selected students will be asked to close windows, doors, and drapes prior to leaving The first two students out of the building should hold the doors open for others Students are to assemble with their class in an orderly manner in the designated area Wait quietly for instructions					
Earthquakes	Our School District has a comprehensive emergency action plan at each school site. In the case of an earthquake, do not rush out of the building. Get under a desk or table if possible (Duck, Cover & Hold). Protect your head and facial areas from falling objects or shattered glass. Wait for instruction before leaving your room. If you are instructed to exit the building, follow the fire drill procedures, being careful to avoid power lines and poles. Stay calm and follow the directions of the adults around you.					

Emergency Student Release Advice for Parents

- **Remain Calm.** Your child is probably safer at school in the event of a disaster. School personnel are certified in CPR, First Aid and Emergency Preparedness. In the event of a disaster, school staff are designated as Disaster Service Workers and must remain with your children at all times for up to 72 hours after the emergency.
- Do Not Call The School And Tie Up The School Phone. Phone lines will be needed for emergency communications.
- **Do Not Call Your Student's Cell Phone.** A ringing telephone can divert a student's attention away from important safety instructions, and during a lockdown, it can alert intruders to student location.
- **Do Not Attempt To Pick Up Your Child Directly From The Student Assembly Area.** Parents and authorized adults must first report to the Student Request Gate.
- Bring A Photo ID With You To The Student Request Gate. Students will only be released to their parents or to an adult designated on the Student Registration Form.
- **Sign Out At The Student Release Gate.** The staff will locate and bring your child to you. No student will be released without an authorized signature, noting time of release, destination and phone number.

Harassment Issues

BP 5145.7 / AR 5145.7 The District encourages parental and student support in its efforts to address and prevent sexual harassment and sexual abuse in the public schools. Students and/or parents are encouraged to discuss their questions or concerns about the expectations in this area with a teacher, counselor, principal or designee.

Search and Seizure

BP 5145.12 / AR 5145.12 The School Board is committed to maintaining an environment for students and staff which is safe and conducive to learning and working. The Board recognizes that incidents may occur where the health, safety and welfare of students and staff are jeopardized and which necessitate the search and seizure of students, their property or their lockers by school officials.

Student Rights and Responsibilities—Conduct

<u>AR 5131</u> Students and parents have rights that schools must observe, but they must also understand that personal responsibilities accompany individual rights. Furthermore, the rights of students must be viewed in relationship to the safety and welfare of the majority of students in the schools. Above all, schools must maintain adequate discipline to conduct a quality educational program.

FEES

<u>BP 6161.13</u> / <u>AR 6161.13</u> The School District is sensitive to the cost of raising children. Unfortunately, in some cases, classes and activities may charge a fee to support educational opportunities for students. The length of the class, materials consumed, activity cost, and type of class will determine the fee charged. If there is a question or problem paying a fee, please contact the teacher or the administration for arrangements. We can assist you in many cases.

GRADES/ASSESSMENT INFORMATION

<u>BP 5121</u> / <u>AR 5121</u> The School Board believes that students and parents/guardians have the right to receive course assessments that represent an accurate evaluation of the student's achievement. Teachers shall evaluate a student's work in relation to standards, which apply to all students at his/her grade level, not in relation to the work of other students in one particular class.

Assessment should be based on impartial, consistent observation of the quality of the student's work and his/her mastery of course content and objectives as demonstrated through classroom participation, homework and tests. The student's behavior and effort shall be reported in separate evaluations, not in his/her academic grade.

GUARDIANSHIP AND CUSTODY

<u>BP 5021</u> Where a question of legal guardianship arises, the school will require documentation from the student's legal guardian to protect all parties. Where child custody is an issue, the school will operate from the most recent documentation on file. This will be kept in the cumulative file which passes from school to school. State law requires that both parents be given equal access to their child's school records. If one parent is not allowed to have contact with the child, or access to the child's records, a copy of the court order specifically stating the restriction must be submitted to the child's school.

HAZARDOUS ROADS

During the winter there may be times in both the morning and afternoon when conditions are too hazardous for buses to travel on certain roads. This information will be posted on the District web site, Facebook (www.facebook.com/kpbsd), Twitter (twitter.com/kpbsd) and parents should listen to the radio and television for announcements. The following radio stations will air public service announcements at fifteen minute intervals:

The decision to **close schools** for the day is the responsibility of the Superintendent of Schools.

The Superintendent of Schools may delay the opening of schools by two hours if the roads are impassable due to inclement weather. The two-hour delay will give road crews additional time for sanding and plowing. In the case of a two-hour school opening delay, schools will dismiss students at the normal time unless announced otherwise. To calculate the school start time and bus pickup during a two-hour delay, simply add two hours to the normal time.

If the decision is made to either close school for the day or delay school opening times, the announcements will be broadcast on the local radio stations listed, and will be posted on the District website and social media sites. You should have an alternate plan for the care and safety of your children on those days when school

opening is delayed or schools are closed because of road conditions.

If school remains open and you as a parent do not believe it is safe for your child to travel to school, use your best judgment to determine what is safest for your child. Please notify the school if your child will not be attending.

HEALTH CURRICULUM

<u>BP 6158</u> / <u>AR 6158</u> Kenai Peninsula Borough School District policy requires a comprehensive health curriculum to be taught each school year. The policy also provides an opt-out provision which is listed in Appendix E and Appendix F.

HEALTH SCREENING

Because healthy students learn better, every year KPBSD school nurses provide growth screening for students. This simple height, weight, body mass index screening provides information to parents which is meant to be shared with one's own health care provider in order to help students achieve and maintain optimum levels of health and wellness. In addition, blood pressure screening and screening for risks of developing diseases such as type 2 diabetes, cardiovascular disease and metabolic syndrome (which consists of a visual inspection of the neck) are administered as needed. Parents/Guardians who do not wish to have their students screened can complete the Health Screening Opt Out form (Appendix D). Please check with the school nurse who can provide resources on this and many other health concerns.

INSURANCE

The Kenai Peninsula Borough School District does its best to provide a safe environment for students. Even so, students can and do have accidents. Medical costs relating to school time injuries (and/or illness) are the responsibility of the student and their parents/ guardians. This includes any costs related to emergency transportation to a medical facility and treatment. The school will make every effort to contact the parents/guardians prior to transporting (it is important that emergency contacts listed in your student's records be current), but in an emergency situation the school staff will determine if emergency transportation is necessary. Failure to diagnose an injury or illness, or emergency transportation of a student to a medical facility when it is later found that an actual emergency condition did not exist, are not grounds for the District to pay for related medical services and/or transportation.

Cyberbullying

- Don't stand for bullying--online or off. Treat others the way you want to be treated--whether you are interacting with them online, on your phone or in person.
- Talk to your kids about bullying: They can't hide behind the words they type and images they post. Hurtful messages not only make the target feel bad but they also make the sender look bad.
- Ask your kids to let you know if an online message or image makes them feel threated or hurt.
- Cyberbullying often involves mean-spirited comments. Check out your kid's page from time to time to see what you find.
- If your child is targeted by a cyberbully, tell them not to respond. Report this to the authorities.
- Block or delete the bully.

Suggested Online Guidelines

- Your online actions can have real-world consequences. The pictures you post and the words you write can affect the people in your life. Think before you post and share.
- Remember that sometimes, free stuff--like games, ring tones or screen savers--can hide viruses or spyware.
- You can reduce the risks of inappropriate conduct, contact and content by talking to your kids about how they communicate--online and off.
- The best way to protect your kids online--talk to them.
- Many kids are adept at finding information online--but they still need adult guidance to help them understand which sources are trustworthy.
- What we say, when we say it, and why we say it are the same online and in person. Common courtesy and common sense are important parts of all communication, regardless of where and how it takes place.
- Parents can set high privacy preferences on IM and video calling accounts.
- Texting, surfing or talking on the phone is dangerous while driving. Talk to your kids about the dangers of driving while distracted.

The District has purchased the Alaska Municipal League/Joint Insurance Association (AML/JIA) School Time Accident Plan through Myers-Stevens and Toohey at no cost to parents. It is designed to cover many, but not all, of the expenses related to injuries incurred during authorized school activities. This plan does not cover natural illness, pre-existing conditions, or injuries resulting from illegal activities, and only pays **after** the student's primary insurance has paid. In the past, AML/JIA has reimbursed at a rate of approximately 80% for those expenses that are covered, up to a maximum of \$25,000 per injury. Parents are responsible for the \$50 deductible per injury, as well as a 20% co-payment and all other expenses not covered by the plan. A letter describing the current accident coverage and benefits along with an Authorization for Emergency Treatment will be sent home with students. Claim forms are available at each school's main office.

Students will also receive information on insurance plans available for **purchase** including "Student Health Care Plan" (24-hour coverage for sickness & accidents); "Interscholastic Tackle Football Accident Plans"; "24-Hour Accident Plans"; "School Time Accident Plans"; and a "Dental Accident Plan". If your child has existing

health coverage, these supplemental plans may be useful in reducing your out-of-pocket expenses for insurance deductibles and/or co-payments. If your child has no other health coverage, you may find these programs particularly attractive. Further information is available from Myers-Stevens at: http://www.myers-stevens.com or by dialing (800) 827-4695.

The school district insurance is in the process of being revised. The chart of Highlights of Available Insurance Plans along with application forms and additional information will be posted here and on http://www.kpbsd.k12.ak.us/students parents.aspx?
id=28288 as soon as they have been approved.

INPUT/PROBLEM SOLVING

<u>BP 1312</u> / <u>E 1312b</u> KPBSD welcomes feedback from parents, students and staff. There are many avenues to provide input or express concerns. The best way is to contact your school administrator directly. There are also electronic forms available that are located at: <u>Suggestion Box</u>, <u>School Survey</u>, <u>Principal Survey</u>, <u>Problems and Concerns Contacts</u>, and <u>Teacher Survey</u>.

How to Minimize Internet Risks

- Stay in touch with what your student and his or her friends are doing.
- Ask your student to show you how he or she accesses the Internet
- Spend time with your students when they are online.
- Explore the wide range of information that is available and discuss with your child which topics you consider offlimits.
- Keep the lines of communication open so that you can talk to your students, and they will recognize your interest in what they are doing is genuine.
- Monitor the amount of time your student spends with the computer. Excessive use of online services, especially
 late at night, may signal a potential problem. The same parenting skills that apply to the "real world" also apply
 while online.
- Set rules for the use of the Internet.

INTERNET SAFETY

<u>BP6161.4</u> / <u>AR 6161.4</u> The preceding links are the Acceptable Use Policy/Internet Safety Policy. Please review this information as it directly applies to use of the internet and computers within the KPBSD. A violation of the Acceptable Use Policy may result in termination of usage and/or appropriate discipline for students (as stated in <u>AR 5144</u>). If you need a hard copy of the Acceptable Use Policy/Internet Safety Policy, please see your school administrator.

Personally-owned Electronic Devices

Students may bring laptops, netbooks, smart phones, tablet computers, MP3 players, e-readers, etc. to school for their personal educational use. The user is responsible for assuring that personally-owned equipment is ready for use with the District network. The District will not troubleshoot or provide technical support on personally-owned equipment. Bringing personally-owned equipment to school is absolutely done at the user's own risk. The District is not responsible for theft or damage of personal property, including loss of data.

Any electronic device falls under the authority of the Acceptable Use Policy if used on school

College Far

grounds regardless of whether they may or may not be wirelessly connected to the District network infrastructure.

Electronic Mail (Email)

The District provides one Google GMail address (@ g.kpbsd.org) for grade 4-12 students (or lower grades at the request of the principal). The District does not filter email beyond the SPAM filtering done by Google for the District-provided GMail accounts. Google may also have rules for use beyond what is covered in this agreement.

Parental Request for Non-Participation by Students (Internet or Email Opt-out)

Parents of minor students (under 18 years of age) may request that their student(s) not be allowed access to the internet or may opt out of District-provided Gmail accounts by submitting <u>E 6161.4(a) Internet Access Non-Permission Form</u> (Appendix G). Such restriction, once signed, remains in force until rescinded by the parent or the legal aged student. This action also denies access to the District wireless network.

MEDICATIONS/IMMUNIZATIONS

<u>BP 5141.21</u> / <u>AR 5141.21</u> / <u>BP 5141.31</u> Medication given at school must comply with all Federal and State laws and regulations and follow current medical and District standards. Requests must be processed through the school nurse. Non-licensed personnel designated to administer student medications must document appropriate training.

For students in Grades K-8:

- A current signed medication request form must be on file in the nurse's office.
- Medication dispensed by the nurse or other school employees must be secured in a locked cabinet. Students will be allowed to carry asthma inhalers and EpiPens® with health provider, parent, administrator and school nurse approval.

For students in Grades 9-12:

For prescription medication, a signed medication form must be on file. Medication dispensed by the nurse or other school employees must be secured in a locked cabinet. Students will be allowed to carry asthma inhalers, antibiotics, diabetic medications, and other approved medications with parent, administrator and school nurse approval.

For over-the-counter (OTC) medications, students may be allowed to carry common, recognizable OTC medications under the following conditions:

- Medication must be in its original container, and should be of small size or hold only a reasonable supply
 of medication.
- Container must contain only the medication identified on its label, and medication must be used only by the student carrying it. Under no condition is sharing with another student acceptable.
- Contents of any OTC container must be available immediately upon request for viewing by school administration to determine compliance with this and other school policies.

Any questions regarding protocol or acceptability of medications should be directed to the school nurse or school administrator.

Immunizations

Prior to school entry, a child must be immunized as required by Alaska State Law against the following diseases: **diphtheria**, **pertussis**, **tetanus**, **polio**, **measles**, **mumps**, **rubella**, **varicella**, **hepatitis** A & B and any other immunizations as required by law. Specific booster doses for some immunizations are required for some students during the school year. KPBSD will comply with state law in all matters involving immunization compliance. For further information see http://bit.ly/KPBSDHealthServices.

Any student who does not provide evidence of each required immunization, or a valid religious or medical exemption as allowed within Alaska State Law, will be excluded from school until such time as the appropriate documentation has been received by the school. Exemption and Opt Out forms are located on line:

- Immunization Requirements Religious Exemption Form
- Immunization Requirements Medical Exemption Form
- Growth Screening Opt Out Form

If you have any questions, please contact your school nurse, or call the KPBSD Nurse Coordinator at 283-2190.

Provisional Admission

Where regular weekly medical services are not available, the Superintendent, or designee, may grant provisional admission to students in exceptional circumstances for up to 90 days.

Reducing Illness at School

Schools present a perfect place for learning and growing—and for coming into contact with viruses and germs that one has not experienced before. With this in mind, we encourage all KPBSD families to continue to remain vigilant in basic disease prevention techniques. Remember that good hand washing techniques and staying home when sick are essential ways to maintain and improve

wellness. Schools also provide mandated and recommended state screenings for students. These include vision, hearing, growth, and as needed, blood pressure. For parents who do not want to have their students participate in growth screening, an opt-out form is available in Appendix D

Info on the web - Please check the KPBSD website for more information regarding illness affecting our district. Our <u>Pandemic Preparedness Page</u> has many great links. The State of Alaska also has a page dedicated to influenza and pandemic illness information which is updated regularly. You can find the State's website at http://ht

NON-DISCRIMINATION

<u>BP 1312.3</u> / <u>AR 1312.3</u> The Kenai Peninsula Borough School District does not discriminate on the basis of national origin, ancestry, race, color, creed, sex, age, disability, physical appearance, sexual orientation, religion, pregnancy, marital or parental status, or political affiliation in its educational programs, related activities, and employment practices. If a student believes that he or she has been discriminated against, he or she may make a claim that his or her rights have been denied. A student may obtain a copy of the grievance or procedure and receive assistance in filing a complaint by contacting the school principal or the KPBSD District Office at 714-8888.

PARENT INVOLVEMENT

BP 1260 / BP 6020 / BP 5124 The School Board recognizes that parents/guardians are their children's first and most influential teachers and that continued parental involvement in the education of children contributes greatly to student achievement and conduct. Parents/guardians directly affect academic success by reinforcing their children's motivation and commitment to education. The District shall include parent involvement strategies as a component of instructional planning.

The Board encourages parents/guardians to serve as volunteers in the schools and to attend student performances and school meetings. In an effort to maximize opportunities for parental involvement, an attempt will be made to accommodate parent schedules.

PERSONAL PROPERTY

Students should not bring valuable items or large sums of money to school. The school will not assume any liability for lost or stolen items or money. Students should report lost or stolen possessions to the office immediately. The principal will investigate, as necessary.

POWERSCHOOL PARENT PORTAL—A PARENT'S ELECTRONIC LINK TO THE CLASSROOM

The District provides parents and students direct access to its Student Information System (SIS) via an online website. Students can login using their KPBSD user account. Parent access credentials are generally handed out by the school secretary at the beginning of each year during registration, a school open house, or parent teacher conference. See Navigate PS Parent Portal.

PROTECTION OF PUPIL RIGHTS AMENDMENT

<u>BP 6162.8</u> The Protection of Pupil Rights Amendment (PPRA) affords parents certain rights regarding our conduct of surveys, collection and use of information for marketing purposes, and certain physical exams. These include the right to:

- Consent before students are required to submit to a survey that concerns one or more of the following protected areas ("protected information survey") if the survey is funded in whole or in part by a program of the U.S. Department of Education (ED):
 - 1. Political affiliations or beliefs of the student or student's parent
 - 2. Mental or psychological problems of the student or student's family

- 3. Sexual behavior or attitudes
- 4. Illegal, anti-social, self-incrimination, or demeaning behavior
- 5. Critical appraisals of others with whom respondents have close family relationships
- 6. Legally recognized privileged relationships, such as with lawyers, doctors, or ministers
- 7. Religious practices, affiliations, or beliefs of the student or parents
- 8. Income, other than as required by law to determine program eligibility
- Receive notice and an opportunity for a student to opt-out of:
 - 1. Any other protected information survey, regardless of funding
 - Any non-emergency, invasive physical exam or screening required as a condition of attendance, administered by the school or its agent, and not necessary to protect the immediate health and safety of a student, except for hearing, vision, or scoliosis screenings, or any physical exam or screening permitted or required under State law
 - Activities involving collection, disclosure, or use of personal information obtained from students for marketing or to sell or otherwise distribute the information to others
- Inspect, upon request and before administration or use:
 - 1. Protected information surveys of students
 - Instruments used to collect personal information from students for any of the above marketing, sales, or other distribution purposes
 - 3. Instructional material used as part of the educational curriculum
 - 4. These rights transfer from the parents to a student who is 18 years old or an emancipated minor under State law

The KPBSD has developed and adopted policies, in consultation with parents, regarding these rights, as well as arrangements to protect student privacy in the administration of protected information surveys and the collection, disclosure, or use of personal information for marketing, sales, or other distribution purposes. KPBSD will directly notify parents of these policies at least annually at the start of each school year and after any substantive changes. KPBSD will also directly notify, such as through U.S. Mail or email, parents of students who are scheduled to participate in the specific activities or surveys noted below and will provide an opportunity for the parents to opt his or her child out of participation of the specific activity or survey. KPBSD will make this notification to parents at the beginning of the school year if the District has identified the specific or approximate dates of the activities or surveys at that time. For surveys and activities scheduled after the school year starts, parents will be provided two weeks notice of the planned activities and surveys, and be provided an opportunity to opt their child out of such activities and surveys. No survey, whether anonymous or not, that inquires into personal or private family affairs of the student not a matter of public record or subject to public observation will be administered unless written permission is obtained from the student's parent or legal guardian. Parents will be provided an opportunity to review any pertinent surveys.

Parents who believe their rights have been violated may file a complaint with:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW Washington, D.C. 20202-5901

SECTION 504 OF THE REHABILITATION ACT

<u>BP 6146.51</u> The following is a description of the rights granted by federal law to students with disabilities. The intent of the law is to keep you fully informed concerning decisions about your child and to inform you of your rights if you disagree with any of these decisions.

You have the right to:

- 1. Have your child take part in, and receive benefit from public education programs without discrimination because of his or her disabling conditions.
- 2. Have the District inform you of your rights under Section 504.
- 3. Receive notice with respect to any action by the District in regard to identification, evaluation, or placement of your child. Parent consent must be obtained before conducting an initial evaluation.
- 4. Your child has the right to free educational services except for those fees that are imposed on non-disabled students or their parents. Insurers and similar third parties are not relieved from an otherwise valid obligation to provide or pay for services provided to a disabled student.
- 5. Have the District provide reasonable accommodations and services to allow your child a free appropriate public education and an equal opportunity to participate in school and school-related activities.
- 6. Have your child placed in the least restrictive environment.
- 7. Have your child educated in facilities and receive services comparable to those provided for non-disabled students.
- 8. Have evaluation, educational, and placement decisions based upon a variety of information sources and by a group of persons, including persons knowledgeable about your child, the meaning of the evaluation data, the placement options, and the legal requirements for least restrictive environment and comparable facilities.
- 9. Have your child receive periodic reevaluations, at least every three years or whenever a change of placement is considered.
- 10. Examine all relevant educational records relating to decisions regarding your child's identification, evaluation, educational program, and placement.
- 11. Obtain copies of educational records at a reasonable cost unless the fee would effectively deny you access to the records.
- 12. Reasonable requests for explanations and interpretations of your child's records.
- 13. Request amendment of your child's educational records if there is reasonable cause to believe that they are inaccurate, misleading or otherwise in violation of the privacy rights of your child. If the School District

refuses this request for amendment, it shall notify you within a reasonable time and advise you of the right to a hearing.

- 14. You have the right to an impartial hearing with respect to the District's actions regarding your child's identification, evaluation, or educational placement, with opportunity for parental participation in the hearing and representation by an attorney. Hearing requests must be made in writing to the Director of Pupil Services.
- 15. You also have the right to file a complaint with the US Office of Civil Rights (OCR). The address of the Regional

- Office which covers Alaska is: U.S. Department of Education, Office of Civil Rights, Region X, 915 Second Avenue, Room 3310, Seattle, WA 98174-1009.
- 16. You have the right to file an action in federal district court alleging a violation of Section 504. You do not have to go through the due process hearing procedure before filing a complaint in federal district court or with OCR.

The person in this District who is responsible for insuring that the District complies with Section 504 student issues is the Director of Pupil Services, telephone number 714-8881.

SECURITY CAMERAS

<u>BP 3515</u> Students have the right to learn and work in a safe environment. To ensure the safety and security of both students and staff, surveillance cameras have been installed in our schools. There are signs noting the use of cameras in conspicuous locations. These cameras are not placed where students, staff or community members have a reasonable expectation of privacy (i.e., bathrooms, locker rooms).

SITE-BASED COUNCIL/PTA/PTSA

<u>BP 0420</u> / <u>AP 0420</u> All schools will organize and conduct regularly scheduled meetings of the site-council and parent organizations. The School Board believes strongly in the importance of parent input into the instructional practices and school programs. Specific District policy delineates the responsibilities of each of these organizations. Please contact the school office to see how you might be involved in these parent groups.

STUDENT LOCKERS

AR 5145.12 Because lockers are under the joint control of the student and the District, school officials shall have the right and ability to open and inspect any school locker without student permission when they have reasonable suspicion that the search will disclose evidence of illegal possessions or activity or when odors, smoke, fire and/or other threats to student health, welfare or safety emanate from the locker.

For health and safety reasons, a general inspection of school properties such as lockers and desks may be conducted on a regular basis. Any items contained in a locker shall be considered to be the property of the student to whom the locker was assigned. Unauthorized locks will be removed from lockers.

STUDENT NUTRITION/FEDERAL PROGRAMS

<u>BP 5040</u>, <u>AR 5040</u> KPBSD Student Nutrition Services (SNS) is proud to provide thousands of nutrient prescribed USDA school meals to eager students each school day.

We invite all students to regularly participate in this successful meal program that enjoys United States Department of Agriculture (USDA) support.

National School Lunch Program (NSLP) and National School Breakfast Programs (NSBP) provide meals to students qualifying for free or reduced price meals in addition to students paying an established price per meal.

School Waiver Programs - may provide qualifying students free or reduced cost book and material fees, athletic fees, etc. <u>Final determination of eligibility is per individual</u> School Administrator.

Student Nutrition Services operates under the USDA program guidelines of the National School Lunch Program and National School Breakfast Program. The nutrient

content of both the USDA School Breakfast and USDA School Lunch programs are established by the USDA. KPBSD school meal programs successfully meet the USDA dietary criteria for the provision of appropriate meals to KPBSD students.

Student Nutrition Services (SNS) office hours are from 7:30 am to 4:30 pm, Monday thru Friday. Questions and comments can be directed to the SNS office at 714-8890.

"The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or family status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Director, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, D.C. 20250-9410 or call (202) 720-5964 (voice and TDD). USDA is an equal opportunity provider and employer."

Reapplying

You may apply any time during the school year. If you are not currently eligible but experience a decrease in household income, have an increase in household size, become unemployed, or begin receiving Food Stamp benefits or Temporary Assistance benefits for your student(s), you may fill out an application at that time. Applications are available at all school locations, District Office, Student Nutrition Office, or can be mailed to you by calling (907) 714-8832. Additional information is available on the <u>Student Nutrition website</u> and the <u>Nutrition and Wellness website</u>.

STUDENT RECORDS

BP5125 / AR 5125 A student's school records are confidential and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters the District until the student withdraws or graduates. This record moves with the student from school to school. By law, both parents, whether married, separated, or divorced, have access to the records of a student who is under 18 or a dependent for tax purposes. A parent whose rights have been legally terminated will be denied access to the records if the school is given a copy of the court order terminating these rights. Additionally, the

child's address may not be released if the District determines that release of the address poses a threat to the health or safety of the child. The principal is custodian of all records for currently enrolled students at the assigned school. The Superintendent is the custodian of all records for students who have withdrawn or graduated.

Records may be reviewed during regular school hours upon completion of a written request. Parents of a minor or of a student who is a dependent for tax purposes, the student (if 18 or older), and school officials with legitimate educational interests are the only persons who have general access to a student's records.

The parent's or student's right of access to, and copies of, student records does not extend to all records. Materials that are not considered educational records, such as teachers' personal notes on a student that are shared only with a substitute teacher, records pertaining to former students after they are no longer students in the District, and records maintained by school law enforcement officials for purposes other than school discipline do not have to be made available to the parents or student.

Access Without Parental Consent

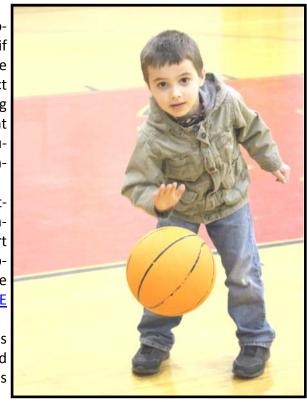

The District shall not permit access to or the release of student records or the personally identifiable information contained therein without the consent of a parent or eligible student, except that access without consent to student records shall be permitted to those persons or under those circumstances as follows:

- School officials within the District who have a legitimate educational interest in having access to the records.
- A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.
- Officials of other districts, schools, state operated correspondence programs or post-secondary institutions in which the student seeks to enroll, or is already enrolled, so long as the disclosure is for purposes related to the student's enrollment or transfer.
- Upon their request, military recruiters and institutions of higher learning shall have access to secondary students' names, addresses, and telephone listings, unless an objection is made by the student's parent or guardian.
- The District will provide the University of Alaska scholarship program a list of names and addresses of students in the graduating class who meet scholarship eligibility requirements for each scholarship program.
- Authorized representatives of the Comptroller General of the United States, the Attorney General of the
 United States, the Secretary of Education, or the Department of Education and Early Development of the
 State of Alaska, if the information is provided in connection with an audit or evaluation of federal or state
 supported education program.
- In compliance with a judicial order or pursuant to any lawfully issued subpoena.
- Where the disclosure is in connection with financial aid conditioned on the student's attendance at an educational institution.
- The disclosure is to organizations conducting studies for or on behalf of educational agencies or institutions.
- The disclosure is to accrediting organizations carrying out their accrediting functions.

The School District will cooperate with the juvenile justice system in sharing information contained in permanent student records.

- The District may release information from records to appropriate persons in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the student or other persons. The District may include in a student's records information concerning disciplinary action taken against the student for conduct that posed a significant risk to the safety or well-being of that student, other students, or other members of the school community.
- Student directory information may be released to representatives of the post-secondary institutions, prospective employers, legislators, news media, military recruiters, sport publications, companies that manufacture class rings or publish yearbooks and non-profit or other organizations. The opportunity to exercise an objection is provided on the <u>E</u> 5125.1(b) in Appendix C.

When the student reaches 18 years of age, only the student has the right to consent to release of records. Students over 18, and parents of minor students, may inspect the student's records

and request in writing a correction if the records are inaccurate, misleading, or otherwise in violation of the student's privacy or other rights.

Records Pertaining to Children with Disabilities

Personally identifiable information in those student records specifically collected or maintained in conjunction with the provision of special education or related services may not be released without the written consent of a parent unless the disclosure is to:

- A school official as defined above.
- An official of a school or school system in which the student intends to enroll.
- A representative of the Federal Comptroller General, U.S. Department of Education, or Alaska Department of Education and Early Development.

The District bills Medicaid for certain health related services identified in a student's Individualized Education Program (IEP). This process involves the sharing of personally identifiable information with the Department of Health and Social Services, the Alaska Medicaid agency, regarding services a child receives through the District's special education program.

Access with Consent

The contents of a student's record may be furnished to any person with the written consent of one of the student's parents. The written consent should specify the records to be released, the reasons for the release, and to whom the records will be released. Where the consent of a parent is required for the release of student records, a copy of the records to be released shall be provided on request to the student's parents or the eligible student, and to the student who is not an eligible student if so requested by the student's parents.

Notification of Rights Under FERPA for Elementary and Secondary Schools

The Family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days of the day the school receives a request for access.

Parents or eligible students should submit to the school principal or designee a written request that identi-

fies the record(s) they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. A copying fee may be charged.

The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend a record should write the school principal or designee, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

 The right to provide written consent before the school discloses personally identifiable information from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the school as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer or contractor outside of the school who performs an institutional service or function for which the school would otherwise use its own employees or who is under the direct control of the school with respect to the use and maintenance of personally identifiable information from education records, such as an attorney, auditor, medical con-

sultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school or District to comply with the requirements of FERPA. A complaint may be filed with:

Family Policy Compliance Office U.S. Department of Education 400 Maryland Avenue, SW WASHINGTON, DC 20202-8520

In addition, you are entitled to notice of the following disclosures of student records:

- Upon request, the District discloses education records without consent to officials of another school district or an institution of post-secondary education where the student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer.
- By September 15 of each year, the District will provide to the University of Alaska a list of names and addresses of students in the graduating class who meet scholarship eligibility requirements for each scholarship program. Release of a student's name to the University of Alaska will not be made if the parent or eligible student objects. An objection should be made in writing to the assistant superintendent of instruction on form <u>E 5125.1(b)</u>.
- By July 15 of each year, the District will transmit to the Alaska Department of Education and Early Development information on each graduating student's eligibility for the Alaska Performance Scholarship Program.
 This is a required disclosure that occurs without consent and without the opportunity to object.
- By January 15 and July 15 of each year, the District will provide to the Alaska Challenge Youth Academy, operated by the Department of Military and Veterans' Affairs, a report containing the name, address, and dates of attendance of prior students ages 15 through 18 who appear no longer enrolled in any education-

al institution and who have not received a diploma or GED. Release of a student's information to the Alaska Challenge Youth Academy will not be made if the parent or eligible student objects. An objection should be made in writing to the assistant superintendent of instruction on form <u>E 5125.1(b)</u>. (Appendix C)

TEACHER'S QUALIFICATIONS— RIGHT TO KNOW

- As a parent of a student in the Kenai Peninsula Borough School District you have the right to know the professional qualifications of the classroom teachers who teach your child. Federal law allows you to request certain information about your child's classroom teachers, and requires school districts to give you this information in clear language, and in a timely manner. You have the right to ask for the following specific information about each of your child's classroom teachers:
- Whether the Alaska Department of Education and Early Development has issued an Alaska teacher's certificate to your child's teacher for the grade(s) and subject(s) he or she teaches.
- Whether the Alaska Department of Education and Early Development has decided that your child's teacher can teach without being certified under state regulations because of special circumstances.
- The teacher's college major; whether the teacher has any advanced degrees and, if so, the subject area of the degree.
- Whether any teachers' aides or instructional paraprofessionals provide services to your child and, if so, their qualifications.

If you would like any of this information, please contact your school administrator or the KPBSD Human Resources Department at 714-8888.

TEXTBOOKS

Each student or his or her parent or guardian is responsible to the school for all textbooks not returned by the student. Any student failing to return all books shall forfeit his or her right to free textbooks until the books previously issued, but not returned, are paid for by the parent or guardian. A student's records may be withheld if a book is not returned and payment is not made in full.

TRANSFERS/ATTENDANCE BOUNDARIES

<u>BP 5116</u> Students who reside within District boundaries may apply for enrollment in any District school where space is available via the <u>Out of Area Attendance Request</u>. Students shall attend school in their attendance area unless otherwise authorized by the Superintendent or designee. The District is not responsible for busing out-of-area students, but may allow this with other considerations.

VISITORS

<u>BP 1260</u> The School Board encourages parents/guardians and interested members of the community to visit the schools and, in compliance with established procedures, view the educational program. The Superintendent shall invite parents or guardians and the community to open house activities and other special events.

The Superintendent shall establish procedures to facilitate visits during regular school days and register all visitors at the school office when entering school grounds.

The Board recognizes the staff time and commitment required by school visits and encourages the staff to accommodate as many requests for visits as possi-

ble. To ensure minimum interruption of the instructional program, visits during school hours should be first arranged with the teacher and principal. If a conference is desired, an appointment should be set with the teacher during non-instructional time.

VOLUNTEERS

<u>BP 1250</u> Volunteers of all ages are always welcome in District schools. Members of parent-teacher organizations and booster clubs are the backbone of school volunteers.

Anyone interested in being a volunteer in the schools needs to complete the <u>online volunteer screening process</u> and agree to a background check; only criminal activity will be checked. To complete the volunteer screening process, visit the District's web page at http://www.kpbsd.k12.ak.us/jobs.aspx find the location where you wish to volunteer. Click the Apply button that corresponds to that location, and then follow the instructions. Please contact the Human Resources department at 714-8888 if you have questions.

WEATHER

Periods of prolonged outdoor activity for students will not occur when the temperature is minus ten degrees Fahrenheit or below (-10° F). This figure includes the wind-chill factor. Prolonged outdoor activities include recess, P.E., class walks, etc. The District will take into consideration the medical needs of children with special conditions or who are recuperating from illness. Schools are not closed due to cold temperatures.

WELLNESS

<u>BP 5040</u> / <u>AR 5040</u> The School Board recognizes that schools are in a position to promote healthy lifestyle choices by students that can affect their lifelong wellness. Therefore, the School District will provide environments that promote and protect children's health, well-being, and ability to learn by supporting healthy eating and physical activity.

The following topics are covered online:

- Planning and Periodic Review by Stakeholders
- Nutrition
- Physical Activity

NOTICE OF STUDENT DIRECTORY INFORMATION

The Kenai Peninsula Borough School District has adopted a policy designed to provide parents and students the full protection of their rights under the Family Educational Rights and Privacy Act of 1974, also known as FERPA. A copy of the school district's policy is available online at http://www.kpbsd.k12.ak.us/school_board.aspx?id=368.

FERPA, with certain exceptions, requires your written consent prior to disclosure of personally identifiable information from your child's education records. However, the District may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the District to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local school districts receiving federal education funding to provide military recruiters, upon request, with three directory information categories - names, addresses and telephone listings – unless parents have advised the school district that they do not want their student's information disclosed without their written consent.

The District may also disclose to the State of Alaska or the University of Alaska your student's eligibility for scholarship programs.

The KPBSD has designated the following information as directory information: student's name, address, telephone listing, email address, photograph, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of athletic team members, dates of attendance, grade level, enrollment status, degrees, honors and awards received, scholarship eligibility, and most recent previous educational agency or institution attended, student ID number, user ID, or other unique personal identifier used to communicate in electronic systems that cannot be used to access education records without a PIN, password, etc. (A student's social security number, in whole or in part, cannot be used for this purpose.)

You have the right to refuse the release of student directory information. If you object to disclosure of some or all of this information, please complete and return the E 5125.1(b) Directory Information Parent Opt-Out Form.

If you have no objection to the use of student information, you do not need to take any action.

Revised: 5/2012

The KPBSD makes access to the Internet available to all students for use as an academic resource and means of communication. Many classes in the KPBSD routinely use the Internet as a tool to complete class assignments and projects in many subject areas.

The KPBSD does not have control over the information content contained on computer systems outside of the KPBSD, but does take measures to limit student access to content inappropriate for the school environment. In addition, students are expected to adhere to strict guidelines for use of the Internet as defined in the Student Handbook for each school.

Google Online Applications (Email, Documents, Spreadsheets, Forms, Calendars)

Google Apps allows 4-12th grade students and staff to achieve an unprecedented level of communication, organization and collaboration through the use of free online applications provided by Google.

Using Google Apps:

- The Email application allows students to communicate with their teachers and collaborate with other students for such things as needed clarification on an assignment.
- Class announcements can easily be sent in a message from the teacher to all students.
- Google Docs are 100% compatible between school and home and accessible from anywhere with an Internet connection. Assignments will not be "forgotten at home".
- Students doing video projects at school have a safe medium for sharing their work where only other KPBSD Staff/Students can view them.
- Students can collaborate on group assignments. Multiple students can contribute to documents simultaneously.

If you do not wish for your child to have access to the Internet and/or Google Apps, you may opt out below.

Solution Tree Presents: Professional Learning Communities At Work Institute - 2014

Caesar's Palace Hotel and Casino Las Vegas, Nevada June 2-4, 2014

To begin! would like to thank the administration and school board for supporting educators with Career Development Grants to extend our knowledge and professionalism. The continued support is much appreciated by myself and others. The 2014 PLC at Work Institute was an informative and comprehensive event revolving around the practice and implementation of professional learning communities in schools. Presenters included Rick and Rebecca DuFour, Mike Mattos, Anthony Muhammed, Robert Eaker and others. Some thoughts or "takeaways" that I left this conference with area, a better understanding of PLC's, some pitfalls of implementing PLC's, and grading practices and the use of data.

When the other Soldotna Area 7-12 principals returned from the Arizona PLC Summit this spring I could sense their enthusiasm and deepened understanding of the PLC process and the importance of establishing them in our schools. As the three of us began discussing PLC's and our fall in-service I began to realize that I needed to get fully on board with the vocabulary and ideas behind the process. I spent a good majority of the first half of the conference in the keynote and breakout presentations given by Rick and Becky DuFour. Thoughts that I had during these presentations on building the foundations and school culture included that as a school system and as an area wide group we have a long ways to go in this process of building meaningful PLC's. While our teachers inherently understand the importance of working collaboratively there is still resistance because it is seen as something additional they have to do on top of their regular duties. We need to continue to work to break down this wall of this is the next "thing" and focus on this is and will be the "thing". It will take commitment from us as administrators into the future to overcome this. A statement made by Becky DuFour was very thought provoking. She pointed out that the process is about learning not about teaching. While I had heard this before, it really struck me as she spoke that many of our teachers really feel it is about them presenting the material and the opportunity for students to learn (teaching), not about how much the

students actually learn. While we have some of the best teachers I have worked with in our district I still do not think many of them analyze the learning that goes on in their rooms or in others. This is an area I would like to work on at Soldotna Prep. If we can build a culture of "we not me" where we work as groups to achieve common goals that are benefiting our students we will be taking steps in the right direction. To do this we need an overriding goal that will tie us together. I am hoping the goal of eventually having 100 per cent of students achieve 6 or more credits by the end of 9th grade will be that overriding goal. From that goal we should be able to work collaboratively to change grading practices, evaluate "soft skills", and build thematic units. Another interesting thing that was presented was the concept t of looking at data student by student and not using averages. Breaking the data down to what each student can demonstrate they know or do not know is important to making sure every kids achieves the goal of 6 or more credits.

Overall, the PLC at Work Institute was a very positive experience and provided me with inspiration and tools to continue the implementation of 7-12 professional learning communities in the Soldotna Area Schools and within Soldotna Prep. I am thankful for the opportunity to attend this conference and feel that it would be beneficial for any administrator or counselor to attend in the future. However, these Institutes are designed for teams of educators to attend and to receive the full benefits it would be in the best interest of attendees to recruit a team when attending.

During the 2013-2014 school year, Cooper Landing School (CLS) students experienced many successes and exciting opportunities. The school received a Rasmussen Art Grant, which funded an Artist in the Schools visit that focused on student creation of stained glass projects. Not only did the students get to make two of their own pieces, but they created two beautiful windows that now hang in the school. The students also benefitted from a Rasmussen Excursion grant which funded travel to several performances in Anchorage including West Side Story and Black Violin at the Performing Arts Center. We also were able to visit the Anchorage Museum for a planetarium showing and the 'Gyre: The Plastic Ocean' Exhibit. This trip was made possible by a grant from Exxon Mobile awarded to the Anchorage Museum. In addition, students worked with the Cooper Landing Ski Club to create a winter trail guide for the Russian River Ski Trails. The brochure discusses how adaptations of local flora and fauna allow them to survive the long, cold winters of the north. This brochure was a big success and has been shown far and wide to other ski clubs and school groups.

Hope Quinn (9th grade) and Leihla Harrison (2nd grade), were recognized for their leadership and academic effort with Masonic Outstanding Student Awards. All students 4th through 10th grade competed in National Archery in Schools Program (NASP). Everyone also pitched in and we received 1st place in the Kenai Peninsula Great Aluminum Can Round Up.

By request of the Kachemak Bay Research Reserve, Fireweed 5th and 6th grade students worked with staff to research, develop and present to the public, a *Discovery Lab* commemorating the 25th Anniversary of the Exxon Valdez Oilspill. By request of the Kachemak Bay Conservation society Fireweed students in grades K-2 participated in painting silk banners of the earth in four views for the Earth Day Celebration and offered the opportunity for other kids participating in the celebration to paint their own earth banner. Fireweed students comprised half of the finalists in the Homer News Writing Contest. Older students sent four teams to Mind of Mazes and won first place in the Spontaneous problem.

Fireweed students participated in a holiday reading of the Grinch on local radio station KBBI. All Fireweed students contributed to the building and celebration of the Burning Basket Installation. They participated in the Shorebird Festival, Howl's Dirtbag Cleanup, The Center for Alaskan Coastal studies beach clean up and debris sculpture, The Farmer's Market Poster contest, Big Brothers Big Sisters Mentor program with two winners in their writing contest, and *Jubilee!* Salmon in the Schools was housed at the Fireweed K-2 site.

Students benefited from diverse Artists in the schools including Jack Dalton, Storyteller; Hawkeye Herman, Blues Musician and instrument maker; and Sharlene Cline, Calligrapher and painter. Students in grades 2-6 went to the Senior Center and joined staff and seniors in painting quilt squares using several silk painting techniques. Little Fireweed collaborated with the People's Garden, Elaine Grabowski, Valley Quilters, and Farmer's market to plant a garden, build a shed and a greenhouse. Another highlight of our year was the passage of new charter school funding by the Alaska Legislature and the Governor. For the first time, Fireweed will be funded at the same level as other schools its size in the district.

We began our year with Mind Mazes in October. Our intermediate/senior division took second place with the "Hope Pulley Pullers." Our junior team, the Zig Zigs received the award "The Most Creative Use of Duct Tape" and 17th place! Nice way to begin the year.

Our middle students brought a proposal to the PTSA in November. They wanted to set up a school store and raise money for a middle school end-of-the-year trip. The idea was approved and seed money of \$100 approved to get the store set up. Ms. Barron, our math/science teacher acted as the student advisor. The store opened in January – The boys earned about \$300 and reported back monthly to the PTA on the store's progress.

Christmas Program - Rudolph the Red-Nose Reindeer – Directed by parent, Kristy Peterson. Most of the Hope community attended and Christmas cookies and punch were served.

Second Semester: Battle of the Books in February. Hope had two teams, 2-3rd and 7th/8th. The 7 th-8th grades student from Hope (River) worked with Cooper landing via Skype and they competed together as one team. First time we think that has been done! Our Middle School team took 5th place!! We are ready to go again next year!

Hope middle school and high school students were able to access Spanish I from a highly qualified teacher in Cooper Landing via the polycom!! Several of our students had requested taking Spanish as an elective, and being able to offer this class to our high school students in cooperation with Cooper Landing students has been extremely positive.

Field Trips: Our middle students received a field trip grant of \$500 from the KMTA Corridor Fieldtrip National Heritage Area. Nine students attended the field trip to explore the Kenai Mountains – Turnagain Arm corridor for two days, spending one overnight in Girdwood.

Moving to April – as the weather got warmer; our high school students received an invitation to the Seward High School Prom. Four students from Cooper Landing and Hope attended the Seward prom and danced all night! It is our philosophy at Hope School that just because we are a small school, high school students should still be able to participate in fun activities that other students in larger schools get to attend.

Test Scores/SBA/HSQE: Our sophomore student not only passed all three parts of the test, but she went from non-proficient in math last year to high proficient this year. Four of our seven students who took the SBA's were listed as "Advanced" and 100% of our students are proficient in writing – Again, improvements form last year.

May 21, 2014 - Two seniors graduated from Hope High School and both received \$600 scholarships from the Hope School PTSA. In order to get the scholarship, graduates have to be accepted to an accredited school or university. Both of our graduates met that requirement and received the scholarships for their future training/education.

School-wide Projects

KAHS offers a morning breakfast program which is run by the Soldotna United Methodist Church, Our Lady of the Angels Catholic Church, and the River Covenant Church. These groups coordinate efforts to secure grant funding for the project, purchase food items, prepare the food and serve breakfast to our students every morning. Their tireless efforts provide a hot meal to many students that would otherwise go without.

Kenai Alternative continued to collaborate with 17 other alternative schools from Alaska. The Alaska Alternative Schools Association held its second annual meeting this October. Each site was able to share their successes and struggles. KAHS completed its three year grant with the DEED. During the second rotation, KAHS held a Healthy Choices/Changes class that offered information on nutrition, healthy cooking on a budget, and avoiding risky behaviors.

This year KAHS had 42 graduates.

Mountain View Elementary Vision

Mountain View Elementary collaboratively meets the needs of all diverse learners by creating a positive school environment which focuses on learning, builds hopefulness, celebrates effort, and guarantees a curriculum for all.

Student Recognition

The Kenai Masonic Lodge conducted its annual Masonic Outstanding Student Award Program. Haven Walluk a fifth grade student at Mountain View Elementary was selected as the recipient of a certificate of achievement and a savings bond.

Mountain View's Student Council this year included: Dylan Duniphin, Hadessah Parkki, Denali Glenzel, Haven Walluk, Molly Hendrickson, and Andrea Beile. The Council honored Soaring Eagles each month. They also sponsored spirit days each month such as wacky day and hat day. Each month the Council hosted a special luncheon for the Soaring Eagles with pizza provided by the Mountain View Elementary PTA. A local dignitary attended each luncheon to honor the attendees and encourage them to continue with their great citizenship.

Mountain View District Forensic winner in Humorous Poetry was Matthew Grzybowski. He placed 1st in the district competition.

Staff Accomplishments

Barbara Ralston received her second Golden Apple Award for outstanding service to her school, the district and the community.

Mountain View Adds Choir

Under the direction of Jonathan Dillon Mountain View Elementary hasted Elementary Choir this year. Grades 4, and 5 students had the opportunity to participate in an after school choir program during the first semester and again during the second semester. Two concerts were presented to the public allowing the students to show what they had learned.

D.A.R.E Continues

Mountain View Elementary 5th grade students again participated in the D.A.R.E. program. Officer Alex Prins from the Kenai Police Department leads the students through the DARE Decision Making Model. Students learned some hard facts about substance abuse and they learned how to resist peer pressure.

Teachers Develop Professional Learning Communities

Mountain View Elementary teachers lead by grade level teacher-leaders developed grade level PLC Teams with the objective of improving student achievement. Teams met regularly during common planning time, after school and during release time to review content standards, establish grade level pacing guides, share instructional strategies, develop common assessments and analyze data. Several teams also worked on weekends to allow for more uninterrupted time in which to analyze data and plan for enrichment and intervention activities.

School Climate Improves

Through the work of the Mountain View School Climate Committee, students learned 6 strategies for resolving conflict. In addition they learned how to tell the difference between bullying and unkindness. The School Climate Committee also developed lessons that could be used by all teachers to teach these resolution strategies.

Bus Safety was also targeted this year. Three bus safety rules were taught to Mountain View students and to the bus drivers. Students worked to make 100 miles of safe behaviors and were treated to a chicken dance from Mr. Kircher and their drivers.

Improving Attendance

Grade level teams focused on improving grade level attendance. Each quarter awards were given for outstanding attendance. Mountain View Elementary saw an increase in these awards throughout the year.

The 8th grade team won both the overall Spontaneous Problem Challenge and 1st place overall for the intermediate 7-12 division. At the FIRST LEGO League competition the Nikiski team won 1st place in Robot Performance and then went on to the State meet where they finished in the top 10. Jaylen Uhls and Jamie Yerkes both received Honorable Mention awards for their submissions to the annual "Peninsula Creative Writing Contest." Jakobee Anderson placed 2nd overall in the counting computation portion of the KPBSD Middle School Math Meet & KPBSD Trimathlon.

Athletics The Nikiski MS girls Basketball team were Borough Champions this year. The Nikiski MS girls Volleyball team were Borough Champions this year as well. Nikiski also had 4 borough wrestling Champions: Justin Cox -110 lbs., Donovan Orth – 115 lbs., Rykker Riddall – 125 lbs., and Ian Johnson – 167 lbs.

Outdoor Recreation Class Jesse Bjorkman was able to take a group of students on a Moose hunt this fall following the completion of their hunter safety course and certification. They all also learned how to take care of and package the meat.

High School Grants Anna Widman received a grant from the Alaska State Council on the Arts again this year. She partnered with the North Peninsula Recreation Service Area, and with the help of her classes and community members created a mural that will be hung on the Nikiski Recreation Center in August.

CTE Clyde Swaby was able to offer an after school academy of welding. Paul Johnson and Vern Kornstad attended a CorelDraw training. CorelDraw is an industry standard application that we use to design projects for the Roland wide-format printer/cutter. The CAD-CAM classes have produced many projects for different community organizations. The Foods class worked with the Nikiski Food Bank and also baked pies for the Thanksgiving food baskets.

Fine Arts Emily Cooper and Marilynn Davis had art pieces hung in the State Capitol Building. The following students placed in the borough art show: Jade Elsey – 1st Drawing, Kerry Ross – 1st Mixed Media, Alexa Schmidt – 2nd Painting, Lauren O'Brien – 3rd Drawing, Alyssa Darch – Honorable Mention Photography. **Musical Theatre** For the 7th consecutive year, acting, dancing and singing came together in the play "Hello Dolly." Students participate in not only the performance portion, but the set design, sound, lighting, and all things involved with stagecraft. **Caring for the Kenai** Braden Ellis took 5th place in the CFK competition for his EZ H2O project.

National Honor Society NHS held a food drive in the fall to help our local food bank. This spring they had a fundraiser for the Leukemia & Lymphoma Society called Pennies for Patients. Students also participated in roadside trash pick-up.

Athletics Football - The Nikiski Football team won the state championship this year, defeating Monroe 36-28. Dennis Anderson, Michael Stangel, Ruben Sepeda, and Luke Johnson were on the State All-Tournament Team. Jesse Eide was the Player of the State Game. The football team also won the State Academic Award.

School wide Projects

- NNS parking lot upgrade students, staff and families have adjusted to the parking lot changes and safety is improved
- NNS partnered with NMHS to write a professional development grant to be used for studying Differentiated Instruction. Cindy Strickland will be speaking to staff from both schools during the August 2014 in-service days. The expectation for NNS is that we will have full implementation of KUDs as part of classroom instruction. This will allow our school to align with NMHS, our feeder school.
- NNS had visits this year from NMHS students involved in sports, theater and
 music as part of a program to develop cooperation between the two schools.
 NNS students very much enjoyed seeing the older kids and acknowledging the
 future accomplishments they can look forward to at NMHS.
- NNS participated in an online professional development. The course was run
 through the Massive Online Open Course site, Coursera, and was entitled
 "Effective Classroom Interactions Supporting Young Children's
 Development".
- NNS offered a class to staff, parents and community members titled, "Child Nutrition and Cooking 2.0". This course was offered through Coursera and was taught through Stanford University.
- NNS Leadership Team was established with members from primary, intermediate, special services, and specials classes.
- NNS celebrated Love of Reading month in February with "One School One Book". Every student received a copy of "My Father's Dragon" to read independently, with their families, and in their classroom. Discussions, incentives, and contests were held and the month culminated with a family literacy event.
- Full implementation of PBIS was achieved this year as NNS transitioned from a Character Counts program to using the PBIS model.

Student Awards

- Rosalie Anderson, grade 5, is our Masonic Outstanding Student.
- Trinity Langston, grade 5, won the school Geography Bee.
- Shannon Pitt, grade 5, won the school Spelling Bee for the 2nd year in a row.
- Fourteen individual and group entries were selected to represent NNS at the KPBSD borough forensics meet in March.
- Artwork from the NNS kindergarten classes was selected to display in the Capitol Building in Juneau.
- Cooper Stock (5th grade) won first place in the State PTA Reflections contest for photography.
- Aiden Quiner (PreK) won first place in the State PTA Reflections contest for visual arts.
- Telan Fallon (1st grade) won first place in the State PTA Reflections contest for literature.

Paul Banks Elementary has continued to work at providing a quality educational program that suits the needs of all our students. Some of the accomplishments we had in the 2013-14 school year are listed below:

PBE was awarded five stars by the State of Alaska as a highest performing school.

PBE conducted many great community and family nights. These include Bingo for Books, First Friday Art Extravaganza, Family Math and Science Night and Summer Activities Fair.

A week long Read-A-Thon around the theme of Iditarod pushed many of our students into 'full-fledged' readers. The event also brought a lot of positive media press about our school.

PTA Winter Carnival and Spring Festival not only raised a lot of money for the PTA it provided an opportunity for staff to intermingle with parents and students in a fun setting.

The Winter and Spring Musical presentations filled the Homer High School auditorium to the delight of many parents, grandparents and community members.

The School took numerous field trips that exposed our students to the great outdoor activities that lay outside their backyard in Kachemak Bay.

The school partnered with 4-H and a local hatchery in the rendering of salmon in the classroom.

The PTA won third place in the Farm to School Challenge with our school greenhouse. The prior two years they won first place.

Kachemak Emergency Services

Kachemak Emergency Services visited the K-1 class for a fire safety presentation, including practice calling 911 and seeing a woman firefighter in fire gear. They were surprised to learn that ladies could be firefighters, too. They even brought the real 911 dispatcher from Homer to help reenact calling 911! The fire chief gave out hats and gift bags which was very exciting. The assistant fire chief, Steve Boyle, returned later in the year to visit all the classrooms and discuss other aspects of fire safety. The scheduling of this visit proved to be very timely, as the village experienced a wildfire in the canyon the day before the scheduled visit. This really gave some extra weight to the importance of fire safety! In the following weeks the children could be heard seriously practicing their 911 calling skills, memorizing their phone numbers, and acting out firefighting in the fire station center.

Homer Public Library – Story Time with Claudia Haines

Claudia Haines, the children's librarian at Homer Public Library, visited the K-1 class twice in February. The children were delighted to hear the new stories that she brought and to use puppets to dramatize a story.

Outstanding Achievements

Razdolna students entered many contests that encouraged creative thinking and artistic growth. The awards received include the following:

- ❖ AEA Writing Contest "School is Cool"
 - o Fifth Grader, Zoya Basargin, won first place in the state in the 5th 8th grade category
 - Fourth Grader, Martinian Basargin, won first place in the state in the K-4th grade category
 - Both won a Nook and \$50 gift certificate from AEA and Barns and Noble
- HEA
 - Third Grader, Dimitry Basargin, won the prize for 'Most Humorous' safety poster in HEA's annual contest.

- Ninth Grade student, Zoya Basargin, won the Masonic Award for Academic Excellence.
- Seventh Grader, Arseni Basargin was this years Most Improved Student due to his increased academic performance.
- ❖ Michelle Fournier was accepted into the Alaska Humanities Forum ECCI program. She will be spending a week in the Educator Cross-Cultural Immersion program. Following this she will continue course work through the fall and culminate with the opportunity to share her experience with her peers. The social studies material she gathers will enrich the area school Alaska Studies curriculum.

School and Community

- ❖ Razdolna School received the generous gift of a field trip to the Sea Life Center in Seward. Kurtis Schoenberg and Michelle Fournier chaperoned 20 of Razdolna's K-12 students on the round trip bus ride. The students were able to tour the Sea Life Center, enjoy hands on learning, and experience an engaging lesson on bioluminescence.
- ❖ Alaska Coastal Studies came to the school two days and did an educational component and an art component that used marine debris to create art. Students learned about the danger to sea life through this project.
- ❖ Chris Etzwiler of Project GRAD and Kurtis Schoenberg, Title 1, presented a school wide Get Caught Reading program that focused on students reading outside of school. Get Caught Reading ran for six weeks and students read over 13,000 minutes. Students earned a Scholastic buck for each hour they read and could be spent buying Scholastic books.
- ❖ Buccaneer Alaska came to the school and gave a presentation about oil and gas exploration on the Kenai Peninsula.
- ❖ Students learned how to represent fairness, equity and justice with paints when they entered the Alaska State Legislative Art contest.
- ❖ Students in grades 3 − 7 participated in the Battle of Books competition. This year's battle of the books team was 5th grade group: Simeon Serebrekoff, Maxim Basargin, Savaty Basargin, and Susana Basargin
- * Razdolna School parents got together this year and formed their first ever PTA. They are excited to support their children and school community!

SUPERINTENDENT'S REPORT REDOUBT ELEMENTARY May 30, 2014

STAFF ACHIEVEMENTS

Redoubt continued focus on its efforts of the implementation of the Positive Behavior Interventions and Supports (PBIS) system this year, and has found great success with it. The staff developed common expectations for student behavior in the school setting, explicitly taught those expectations several times through the year, and focused on acknowledging appropriate student behavior through a variety of individual and school-wide reinforcements. In addition, this year the school implemented Tier II interventions into its structure. This new approach to student behavior has been an exciting addition to our school.

New staff this year include: Anne Buckbee, Kindergarten teacher, Kristie Cotroneo, 3rd grade teacher, Kellie Davidson, 3rd grade teacher, Jacqueline Engels, 1st grade teacher, Jake Eveland, 5th grade teacher, Samantha Lamphier, 2nd grade teacher, Brandy Nelson, Sped Aide, Rebekah Pelletier, Sped Aide, Rebecca Jorgensen, Speech Aide, Iris Wertz, School Nurse & Molly Bauder, full time secretary Attendance/Title One

STUDENT ACCOMPLISHMENTS

Masonic Student of the Year – Cameron Blackwell

Forensics

Fourth through sixth graders participated in a school-wide forensics program this year. After a performance at Redoubt, winners of the school meet competed at the borough level in March.

Redoubt Spelling Bee

Classroom spelling champions from grades 4, 5, and 6 participated in the school bee. Elijah Wackler won the competition.

National Geographic Geography Bee

Parker Kincaid was Redoubt's geography bee champion and represented Redoubt at the state level. Grades 4, 5, and 6 participated.

Battle of the Books

Redoubt's 3rd/4th grade and 5th/6th grade teams participated in the Battle of the Books competition this spring.

Math Bowl

Redoubt students participated in the District Math Bowl competition.

PBIS Program

Students and staff were active participants in the school's PBIS program. Students earned tickets by demonstrating respectful, responsible, and safe behavior. Students who earned five tickets in one week received a card to hang in the hallway. Celebrations, including Electronics Day, Snow Day, and Super Hero Day were planned as students reached card count goals.

COCURRICULAR ACTIVITIES

Intramural Program

Redoubt's intramural sports program is an excellent program promoting fitness, skills acquisition, good sportsmanship and team spirit. Fourth through sixth graders participated in team sports throughout the school year consisting of soccer, "wacky" co-ed intramural competitions and trash ball.

Band

Our 6th grade band students participated in Soldotna Middle School's Concert Band program throughout the school year, while our 5th grade students participated at Redoubt under the leadership of Sue Biggs. Band student preformed at the Link Up Concert, Redoubt and K-Beach Elementary 4, 5 and 6th grade band students linked up with the Kenai Peninsula Orchestra & Carnegie Hall's Weill Music Institute at Kenai Central High School to perform a free concert for the community.

DARE Program

Redoubt students participated in the DARE drug prevention program sponsored by the Soldotna Police Department.

COMMUNITY SUPPORT

Volunteer Involvement and Recognition

Volunteer involvement at Redoubt is active and successful recognized in April with gifts.

Community Organizations

Local community organizations such as the VFW, Soldotna Rotary, and Soldotna Elks Club provide funds for needy students as well as activities for students.

Local businesses continue to provide support.

Numerous local businesses provide support through donations of student rewards/prizes, etc. for various activities. Soldotna Trustworthy Hardware and Safeway E-Scrip Program have been an invaluable support to our school.

CES Fire Safety

The staff at Central Emergency Services presented their annual fire safety puppet presentation to Redoubt students. Each student received a bag full of goodies and fun activities.

COMMUNITY INVOLVEMENT AND SERVICE

Food Bank Fundraiser and Holiday Kindness Program

Redoubt staff and students ran numerous projects to make the holidays brighter for the community. A successful canned food drive and fundraiser collected non-perishable food and money for the local food bank during Thanksgiving.

Redoubt families received holiday dinners and gifts at Christmas through PTA's Holiday Kindness Program. Twenty Five Redoubt Families were sponsored this year.

Family Activities

A variety of family activities were offered, including a Family Fun Run, Walk your Child to School Day, family reading nights, Love of Reading Month activities, a Halloween parade, Family Math and Science Night, and Bingo for Books.

Book Fairs

Two book fairs were held this year.

Elf Shelf

This is an annual PTA sponsored program that offers students a holiday

shopping opportunity.

Box Top Fundraiser

Redoubt PTA redeems box tops for money for our school. Students who bring in box tops are entered into a weekly drawing.

Halloween Parade

Students, staff and parents enjoyed the school wide Halloween parade in the school gym. Students and staff enjoyed showing off their creative Halloween costumes to parents and visitors.

Winter Carnival

Redoubt PTA sponsored Redoubt 2nd Annual Winter Carnival February 15th 2014. This was a community event, a variety of games booths along with a silent auction and raffles were held. Funds were raised for student equipment.

Official Red Cross Shelter (Funny River Fire)

Redoubt was the site of an official Red Cross Shelter during the recent Funny River fire. Redoubt opened its doors to the Red Cross staff and families in the community who had been displaced by the Funny River fire. The shelter was used to house, assist and feed families in need. Several community fire update meetings took place in the Redoubt library.

Kenai River Cleanup Day

Redoubt's 4th and 6th grade students participated in this year's first annual Kenai River Cleanup Day. All the trash that was collected on Friday was brought to Centennial Park where Soldotna Mayor Dr. Nels Anderson presented the award of Most Trash Picked Up By a School: Redoubt Elementary 840 lbs. Participating students (70) from Redoubt each received a new rod and reel combo from the Kenai River Professional Guide Assoc. (KRPGA) and the Soldotna Chamber of Commerce, sponsors of this event.

OTHER POINTS OF INTEREST

Boys and Girls Club

We hosted their after-school program at Redoubt again this school year. Boys and Girls Club provided a program of academic help, crafts, physical activity, and snacks for students after school until 6:00 pm every school day.

Fun Fest

This popular, after-school mini-carnival was held three times this year. Students paid \$4 to participate in a wide variety of crafts and games. Refreshments were sold by the PTA.

Powerschool

Powerschool is an important tool in our effort to maintain excellent communication with parents. Many parents are using Powerschool to access student and school information.

School Blog

Our new school blog is active and provides parents easy access to school activity information, forms, newsletters, school supply lists, photos and more.

End of Year Activities

Redoubt ended a successful school year with field day, a school picnic, and student awards assemblies.

New Big Screen TV

A new 60inch Smart TV monitor has been installed in the school hallway. We are now able to showcase Redoubt and display upcoming events and important information to parents and visitors as they enter the school. E-script money was used to purchase the TV.

Office Sliding Reception Window

We have had a great response from students, parents and visitors using our new walk up reception window in the school office. We are able to provide prompt attention and help to volunteers, visitors, parents and students as they enter and exit the school.

Redoubt Office Remodel & Reception Area

Redoubt's office remodel is finally completed. The school's office has a new and updated look. Visitors, students, parents and employees feel a warm welcome as they enter the school. The new counters and desks in the office are clean and updated. Parents and visitors can be comfortable in our new reception chairs as they wait for their child. The secretaries working in the office appreciate their new working area and send a huge thank you to everyone who worked so hard to make this beautiful work space a reality.

Help Counter

This was Redoubt's second school year using Help Counter. This valuable internet based program continues to prove its worth by providing an excellent means tracking visitors, volunteers and students as they enter and exit our school. This program has become an essential tool at Redoubt.

MODEL UN: Capra Edwards-Smith, Misha James-Ravin, Kiowa Richardson, Sterling Stasak and Rachael Todd participated in the 32nd Annual Model United Nations program at the University of Alaska, Anchorage Feb. 27-Mar 1. The students represented the Islamic Republic of Iran and were the first team from the Kenai Peninsula in more than 15 years to participate in the program according to Kimberly Pace, Professor of Political Science and Director of the MUN program at UAA. Students from 14 other schools including the University of Alaska Anchorage and Le Jardin High School from Oahu, Hawaii participated in the three day conference which debated this year's topic "The Ethics of Emerging Technology."

Teacher AnnaLeah Karron received the UAA Outstanding Faculty Award at the Model United Nations, which was voted on unanimously by the UAA Secretariat & staff.

INTERNSHIPS: RCA students participated in five-day long internships at Central Peninsula Hospital. The students: Kiowa Richardson, Sheilyn Pogue, Nicole Mills, Jordan Smythe, and Zoe Zorn all completed a full day of required training prior to their five days. They received valuable hands on experience in the fields they chose to observe. A very special thank you to CPH volunteer coordinator Jim Childers for helping with this project.

Students also participated in a variety of job shadows including Central Emergency Services as First Responder Ride Along, Soldotna High in the art department, K-Beach Elementary in the OT/PT department, and the Kenai Wildlife Refuge in their PEEPS program.

<u>FUTURE PROBLEM SOLVING:</u> Future Problem Solving is a program developed 40 years ago to help kids think creatively and out of the box. RCA had two teams participate in the qualifying round. Our Senior Team of Rachael Todd, Misha James

Ravin, Morgan Stoddard and Logan Trigg qualified for the State Bowl and brought home 1st Place in the Presentation of the Action Plan. Rachael Todd also placed third in Senior Scenario Writing.

<u>FIRST AID TRAINING:</u> Eight students participated in First Aid Training through the school and each earned their First Aide Card.

SHADOW DAY: RCA hosted a Student Shadow Day in May for incoming students. Students spent the day shadowing a current student and learning about life at RCA. Students also participated in a few team building activities to ease the transition.

COURSES: Students completed a variety of courses outside of the walls of RCA. Students completed courses at KPC including College Algebra, Intermediate Algebra, Trigonometry, C# Programming, Introduction to Writing and Communications. Students also completed Spanish, French, and Biology through the Distance Education Department. And RCA has the first student to complete the CTE course Intro to Pharmacy Tech.

- The staff and administration at Seward High School made tremendous strides in our transition toward a hybrid high school. Every course offering in our master schedule now has a digital parallel in Google, Moodle, or Word Press. This provides infinite flexibility in our ability to deliver instruction to meet students' needs. Seward High School continues to provide a traditional bell schedule for those students and parents who require it.
- The staff and administration are proud to announce that Seward High will maintain its unbroken accreditation status. Seward High earned a 3.06 Average Indicator Score, on a 4.0 scale, from the AdvancED's External Review Team. This process provided positive affirmation about our direction toward a hybrid high school and specific suggestions for pursuit of our continuous improvement model.

Seward High continues to be a strong presence in local, regional, and state academic, athletic, and artistic competitions and local performances. With many students who participate in multiple sports and clubs there were 405 total participants in all of the activities offered at Seward High. This represents 238% student co-curricular participation.

The girls' swim team was the highest finishing small schools team at the State meet. Olivia Beckham placed 7th in the 100 backstroke, the 200 yard free style girls relay placed 5th, and the girls 200 yard medley relay placed 5th.

The boys' Cross Country placed 3rd at Regions and 4th at State. Girls' Cross Country placed 4th at Regions and 8th at State. Matthew Moore was the fastest overall runner for Seward High placing 4th at State.

The girls' volleyball team placed 4th at the Region III Volleyball Championships. Ashley von Borstel was selected to be on the All-Region team.

Wrestling finished 3rd in Region III.

The girls' basketball team placed 3rd in the Region tournament. Ashley von Borstel was selected to the All-Region team. They placed 5th at the state basketball tournament and Laura Kromrey was selected to the State All-Tournament team.

The boys' basketball team finished 4th in the region. Matthew Moore was selected to All-Region basketball team.

The boys track team placed 3rd at the region track meet. Tannen Berry was the region champ in the 300 hurdles and 2nd in the 110 hurdles. Nick Zweifel placed 3rd in the 110 hurdles. Laura Kromrey was the Region and State Champion Discus thrower.

In its third year in existence, Seward High's Debate, Drama, and Forensics team posted a 2nd place state finish. The Reader's Theater group comprised of Robin McKnight, Josephine Braun, Hayden Tiner, and Emily Brockman won the State Championship.

Seward High started Pep Club. There were 53 participants in its inaugural year.

The National Ocean Science Bowl team competed with a project on tidal power as a renewable energy resource.

All Biology students participated in the Caring for the Kenai competition.

Seward High art teacher, Bethany Waggoner was a delegate of Seward and also represented Seward High in Obihiro, Japan and participated in a mural exchange project.

Art Students submitted pieces for the Music and Arts Festival, the Kenai Peninsula Borough School District Art Show, and ART for Parks Art Show with the Kenai Fjords National Parks. They participated in The National Ocean Sciences Bowl Art Show and took many top prizes, including BEST IN SHOW to Veronica Wilde.

They created a mural for the front entrance of the school with guest Artist Justine Pechuzal in collaboration with School Yard Habitat Project and Kenai Mountains-Turnagain Arm National Heritage Area.

2008 Seward High Graduate Tyler Haddow was awarded Stanford University's J. E. Wallace Sterling Award for Scholastic Achievement; one of their most selective academic awards since its inception in 2006. It is based on overall academic performance and is presented to the top 25 students of each year's graduating senior class in the School of Humanities and Sciences. A very special part of this award is the in-person recognition of the secondary school teacher whom the recipient's name as having most influenced their scholastic career. Tyler named Dan Marshall who was able to receive this award in person in early May.

Seward High Students participated in field trips to Catalyst Marine Engineering flew at the airport with certified flight instructor Andy Shafer, Seward Electric Utility, The Alaska Sea Life Center, South Central Power Project, and CH2M Hill-Engineering.

Seward High welcomed guest speakers Burke Anderson (professional pilot), CJ Rea from the National Parks Service, Engineer Chris Edgar, and Alaska State Economist Alyssa Shanks.

This has been another successful year at Soldotna Elementary, and I continue to be proud of the outstanding job our teachers, students, and parents do to make our school shine.

Our school was granted a Cultural Grant this year from the Alaska State Council on the Arts. Sharlene Cline, an artist from Homer introduced our students to an exceptional cultural experience in Chinese painting. She spent a week working with our students. We will continue the Artist in the School program this next year in partnership with Bunnell studio in Homer, a newly developed partnership.

Community events have been on our list to welcome families into our schools. This year we were able to organize an "Art form the Heart" night, a math night, a family movie night, and a soup lunch to encourage parents to spend lunch time with their children.

Because we promote giving, sharing, and helping others we had our school-wide Christmas drive, providing several of our families with the means to help them through the holidays. We worked in partnership with Rotary and with Soldotna Elks. In addition our students and families collected 760 lbs of aluminum as a recycling project. Our students also participated in Pennies for Patients, raising over \$1000, and our first annual child's clothing give away took place.

Our students also received recognition for Battle of the Books at the 3rd/4th and the 5th/6th grade level. They also participated and performed for our school Forensics, with 18 students performing for students and staff. Our Spelling Bee was also a success with two students from each grade level, 3rd-6th participating with one final contestant and runner up being selected. Our final contestant, Clara Moore, participated at the state bee in Anchorage.

Three of our 6th grade students were also nominated for the Masonic Award. The finalist chosen and who participated at the Masonic Ceremony was Tim Cashman. In

addition, we had five students recognized for the Presidential Outstanding Achievement Award, and fifteen recognized for the Presidential Award for Outstanding Academic Excellence.

Our students also had several opportunities for after school experiences. These included Intermural basketball, Gymnastics, one of the only offered in the district at the elementary level, and our After the Bell Program.

Three of our terrific staff members were nominated for the BP of Excellence. They included Shaya Straw, Kelli Creglow, and Gayle Buben. All deserve and have earned this honorable recognition.

We also have two strong reading promotion/incentive programs that are a part of our school year. One is our Reading Counts program which has been in effect for four years. Our students are deeply motivated by this program and it is run by our Librarian, Debbie Adamson. This is a point program and a huge celebration occurs at the end. We are also fortunate to have support from Rotary to start our new summer reading program, SMORE. Students will keep track of minutes, and we will celebrate a variety of levels in the fall.

Last but not least we were in our first year of PBIS, or Positive Behavior Support. It has been successful years with more than 90% buy in from staff. The office referrals have decreased and behavior in all of the areas we targeted decreased. We look forward to expanding next year to make our school a kinder, safer, and more responsible place to be.

Soldotna High School has completed another great year. We continue to implement the A-Team After School Tutoring.

Soldotna High School continues with its great success in athletics and activities. Listed below are this year's accomplishments:

- * Congratulating to the SkillsUSA members who placed at the CTSO Skills Based Assessment Conference:
- * Student Council collected Prom dresses (Cinderella's Closet) again this year and it was a success from all over the Peninsula and across the bay even.
- * SoHi won the State Football Championship
- * SOHI PTSA hosted a Soup Supper for our Students in Need program with the Advanced Ceramics class making ceramic bowls, they made \$1,100. This helps students and their families throughout the year and especially during the holidays.
- * The Soldotna High School Child Development class provided free daycare as part of the classroom teaching.
- * Skyview & Soldotna high school robotics team competed at two tournaments. They took home both awards they went to win: Connect & Motivate. The StarBots team (Margaret McGlothen, Alex Lisenby, & James Elsey) were chosen for one of the finalist alliance teams and won their second Motivate award
- * Daisy Nelson with the SoHi Art Club painted a new mural in the commons. Daisy designed and painted the mural with support from the art club.
- * Battle of the Books team won 3rd place among 9 district high school teams! The team members were Audrey Helgevold, Chloe Kincaid, Sabrina Hilbrink, and Nicole Mills with Ila Cobb, Sabrina and Carmen Kelly.
- * Hannah Pothast submitted her work to the Kenai Peninsula Writers Contest and won in two categories.
- * KRPGA Charitable Foundation thanked the girls' soccer and football teams for helping with the Wounded Warrior Event last summer. This helped raise money for their programs and much needed support for the Event.
- * The Girls 4A Basketball team scored the highest Combined GPA average of 3.92 for the State Academic Achievement for 2013-2014.

Soldotna High School continues to strive for excellence and has the goal of leading our School District on the path of continual improvement. Thanks for a great year!

Soldotna Middle School is a comprehensive middle school with an enrollment of 380 full time students in seventh and eighth grade. SMS continues to provide a full array of elective courses such as band, choir, art, technology, vocational education, and foreign language. SMS continued this year to offer sections of reading, math, and language arts remediation to students who scored below 330 on the 2013 SBA tests. SMS has a part time Quality Schools tutor in the building who directly serviced 26 SMS students on a daily basis this year. These students averaged a 56 point increase on the 2014 Math SBA. The use of IXL Math was expanded this year to include not only Tier II and Tier III intervention but as a Tier I intervention in all math courses at SMS, it showed a great benefit with students who used the program seriously. The Soldotna Middle School after school tutoring program continued in 2013-14 with 44 students participating throughout the year. A Title VII program was continued at SMS this year and proved to be beneficial in assisting both struggling and successful Alaska Native students to build tighter connections to school and increase academic performance. Preliminary 2014 SBA results are promising on initial review with many of students showing significant improvements in not only gaining proficiency but in average scale scores as well.

Staff Accomplishments

Mr. Sarge Truesdell successfully completed his third year as the Principal of Soldotna Middle School. His leadership in guiding the Site Council, staff, students, and parents through the Soldotna Schools Reconfiguration process has been outstanding. Soldotna Middle School is excited and prepared to transition to the Skyview building and become Skyview Middle School. Soldotna Middle School had the following teachers nominated as BP teachers of the year: Sheila-Margaret Pothast, Jeff Vincent, Tiffany Carter, Andrea Eggleston, Mike Gustkey, Jeff Moore, WendyPotton, and Rob Moore with Mrs. Pothast qualifying as one of 5 finalists for the District.

Outstanding Effort in History Writing: Selby Hill and Jode Sparks Reading Remediation

Our Read 180 program continues its success at taking long term, below grade level readers, and moving them into proficiency or better as measured on the SBA Reading Test. Data on the program demonstrates that is continues to be of high value to Soldotna Middle School and to students who go through the program. CBM, Lexile, and SBA results all confirm the program is doing what it is designed to do in helping students to fill in learning gaps in the area of reading comprehension and fluency. The area where the program needs to expand is in the area of decoding and finding ways to meet the needs of students with decoding issues will be the next step in this area.

Spanish II

For thesixth year in a row, Soldotna Middle School Spanish II students worked with Redoubt Elementary School first graders teaching Spanish lessons. SMS students chose the lesson content, developed the lesson plans, and created visuals and games to aid in the delivery of instruction. Sixteen SMS students visited Redoubt a total of three times — once for observation purposes in preparation for teaching and two times where they actually delivered a Spanish lesson each time. This Teaching Experience Project once again proved beneficial, both to the SMS students as well as the Redoubt first graders, and is a project we will continue in the future.

Student Council

Student Council saw an expanded role at Soldotna Middles School. Along with ongoing projects that re discussed below the Student Council planned and organized all of Soldotna Middle School's Under the guidance of Mrs. Sheila-Margaret Pothast students undertook all aspects of the quarterly student activity events. They volunteered for setting up and taking down the events, helped choose themes and ordered decorations, undertook deejay responsibilities, and organized alternate activities such as ice cream sundae bars, cupcake decorating, movies, etc. Student attendance and feedback demonstrated the success of the events and this student empowerment will continue far into the future.

SMS Student Council members also sponsored a non-perishable food drive during the Thanksgiving season. Homerooms competed to see who could bring in the most items of food and winners were treated to special prizes at Turkey Trot and in Homeroom. In total, Soldotna Middle School donated all collected food items to the Kenai Peninsula Food Bank.

Spartan Student Council also sponsored Spirit Week dress up days the last week of Third Quarter and created SBA week posters to encourage students to prepare well for testing. Student Council Advisors helped organize the SMS Talent Show and coordinated volunteers for Parent Teacher Conferences both semesters.

7th Grade Transition Program

In early August, young people arrived at Soldotna Middle School from K-Beach Elementary, Sterling Elementary, Tustumena Elementary, Redoubt Elementary, and Connections. Making new friends, learning locker combinations, class routes & school layout, tips for comfort zone, Google docs and Smart Board technology, they also had time for games, team building, and creative expression through locker decoration and a transitions collage. In addition to being on campus for two days and learning to navigate their new daily schedule, everyone received a T-shirt, and a backpack with helpful school supplies to help get them off on the right foot. Student participating in the program had great success at Soldotna Middle School both behaviorally and academically.

Extra-Curricular Sports

Soldotna Middle School continued to offer its traditional athletic program in 2013-14. With over 400 participants in Soccer, Cross Country Running, Basketball, Wrestling, Cross Country Skiing, Volleyball, and Track & Field

The 2013-2014 school year started off with 7 new teachers and a new principal. Students were greeted with a bulletin board of a smart phone displaying staff photos as apps. The caption read, "Learning at Sterling there is an app for that."

Sterling Elementary held many special school and community events, such as:

- Open House was held before school opened for students to meet teachers and bring supplies before the first day;
- 6th grade students participated in Student Leadership: assisting K-3rd students in the lunch room and engaging in positive play with K-3rd at recess;
- 4th 6th grade students participated in snow club during the winter and running club during the spring time;
- Trunk or Treat, which provided a safe place for children to go Trick-or-Treating on Halloween;
- Falcon Fun Night provided activities for students and parents to participate in together;
- 4th-6th grade students and band members participated in an All American Concert;
- K-3rd graders participated in a "Snowmen at Night Concert";
- PTA "Pirate Carnival" for all community to come spend the night with fun and games;
- 4 different PBIS celebrations celebrated the positive student behaviors of being safe, responsible and respectful;
- The first Monday of each month a teacher from each class was celebrated as the class super star with a certificate and pizza with the principal. Pizza was provided by Magpye's Pizza in Sterling;
- Kinder-Fair provided future Kindergarteners and their parents the opportunity to register for Head Start and Kindergarten. Many local community resources had booths to provide info for parents, and engage children in early literacy, health, and safety activities;
- Reading Is Fundamental book distributions provided three free books to children during the school year;
- Art Week provided special art projects every day for all K-6 students. A local artist/parent provided the leadership during this week.
- The School Habitat Trail was completed and used by classrooms, snow club and

community.

• All school talent show on the last day.

Teachers at Sterling Elementary received grants for extra activities for their classes:

- Four classroom teachers received grants to participate in trips to the Sea Life Center in Seward;
- Two classroom teachers received grants to participate in trips to the Imaginarium in Anchorage;

During the school year, students participated in:

- Grades 5/6 and Grades ¾ Battle of Books;
- Elementary Forensics tournament, where students in grades 4 through 6 competed in a school tournament, with high scorers representing the school at the Borough Elementary Forensics Tournament held at Tustumena School. Two students also shared their pieces with the School Board during the school presentation.
- Students participating in the Jump Rope For Heart. Students jumped rope and raised money for patients with heart problems;
- K-6 students participated in Healthy Futures, which encouraged students to get outside and exercise;
- 4th 6th grade participated in a girls choir, which emphasized positive self-esteem, that met at lunch/recess time and performed a concert in the Spring;
- Grade 3 through Grade 6 made significant gains in their spring SBA scores in the areas of math, reading and writing.

The following individual students were also recognized:

- Bailey Smith's artwork was selected as the piece most exemplary of Sterling
 Elementary and will be proudly displayed on next year's school calendar magnet;
- Victoria Kitson was selected as this year's Masonic Outstanding Student in recognition of her service to the community and to the school, as well as for her kindness and commitment to academic excellence.

The school was able to share the facility with organizations that provided other positive activities for the students:

- Sterling Judo Club
- Sterling Girl Scouts

Please list the outstanding achievements of students, staff and/or your school for the past year. It is important that you share the following information; grants awarded, districtwide, statewide and national academic awards, regional and state athletic titles, special schoolwide projects, etc. It is not necessary to list each member of a team or group unless it is pertinent to an individual award. Your submission may not be longer than two (2) pages in length. This electronic form must be emailed to Debbie Tressler, Administrative Secretary for the Superintendent, on or before June 1.

Our 3rd and 4th grade Sea Otters placed 2nd in Battle of the Books. We sent one 8th grader, Sam Scribner, to the State Spelling Bee and one 4th grader, Frankie Haller, to the State Geography Bee in Anchorage. This year was the first time in having a co-ed volleyball team and we placed 2nd in the Region. Our great Sea Otter boys' basketball team won 1st in Regions and went on to place 3rd in State. Our own Coach Mark Janes won Coach of the Year for the Region. Vivian Rojas escorted 7 students on a Close-up trip to Washington, DC. We had two presentation dinners by our international students from Kazakhstan and Mali. Both dinners were made up of foods from their countries. Four of our students performed in the Homer Jubilee. Our band students also attended the affair which inspired them to audition next year. The Sea Otter track team took first in Regions and five students attended the State competition. Last, but not least, Olivia Turner won the Kenai Masonic Lodge for Outstanding Student Award.

We were very honored this year to have one of our students, Trinity Standifer, chosen to receive The Spirit of Youth Award. From this award, she has received a scholarship and attended a banquet in Anchorage as well.

Tebughna Native Corporation (TNC) has held two meetings at our school. They have donated \$2,300 to be shared by our staff members and used for students to participate in field trips.

The Tebughna Foundation provided opportunities for our students to practice golf indoors. They provided two trips for personnel from First Tee in Anchorage to visit our school and they worked with all of our students in grades K-12. They also brought native dancers, both male and female, to our school. This presentation included an explanation of their regalia as well as opportunities for students and staff to participate. This was a great way to learn about other native cultures from the lower 48.

Every spring we, staff and students, help the community by planting seeds and caring for them. Then when the sets are large enough, we help to transplant them into the community garden. Each fall we help to gather the harvest.

Because of a fire close to our community we were unable to hold our end of the year promotion ceremony and awards presentation. I am hoping to be able to present these certificates and awards at a future community meeting held to inform the community of the fire status. The following is the list of awards to be presented: Best Attitude (3); Citizenship Award (4); Most Improved Reader (4); Most Improved Writer (4); Most Improved Math (4); Best Behaved (6). We also gave bowls to staff members who would not be returning. Promotion certificates will be given to one 8th grader and five kindergarteners.

Our school did not actively apply for any major grants this year. Our community (through the Eagles Club) donated an additional \$1,000 dollars to support our School Yard Habitat (SYH) project. This was in addition to the \$2300 that was raised through the partnership with the Borough, Fish and Game, Department of Water Conservation, Spruce Bark Beatle, and Forestry Department. These funds will be used to enhance the project by adding a nursery/garden, covered instructional area, and signs. Next year we plan to start a "Fun Family Ski" event called, the Tustumena Moose Chase and Ski Race. It will be a fundraising event but the higher purpose is to provide another positive outlet for our area families during the winter months.

This year our collaborative time was focused on improving Science instruction. The initial data is promising with a raise from 45% to 65% of students demonstrating proficiency on the SBA. We also reinstated a Science Fair and modeled how to unpack the Science Standards and accessing Next Generation Science Standards for our district.

Three teachers were nominated for the BP Teacher of the year. None were awarded the prize but it was clear that their communication with parents and dedication was at a noteworthy level. These teacher were models for the rest of our building as well as evidence that our teachers are being "pushed" a little more toward their capacity than in years past. They have skin in the game. Next year they will be the only school in the district to have 100% of the staff piloting the new SLO process. This will have a positive effect on their teaching next year as well as lower the anxiety of student data being used for teacher evaluation the following year.

The Tustumena "Future Problem Solving Team," was one of 33 teams that qualified for the Alaska State Bowl. This bowl consisted of public, private, and international schools. Our team won first place in the presentation portion of the competition and second place overall.

Tustumena will continue to be the host school of our district Forensics Match as well. Most of our staff volunteers for the event which makes it a positive experience for everyone who visits us. We serve the community, our district, and our state in every way possible.

One of our greatest academic successes was the introduction of an intervention program that proved to be an integral part of our educational program. Students participating in this program are now being served and monitored as determined through our I-Team meetings. Student needs are being targeted, with researched-based programs, to address prevalent educational gaps. With this additional data and focused small-group instruction much progress is being made with this new endeavor.

An outstanding achievement for our small site was the participation of 13 10th through 12th grade students in the Close Up program. These students visited both Washington D.C. and New York City, including the privilege of meeting both of our Senators and our Representative. We toured the Capitol, the Library of Congress, a few of the Smithsonian Museums, several Memorials, and multiple other D.C. destinations. In NYC we visited Wall Street, Central Park, Rockefeller Plaza, Ground Zero, Little Italy, 34th Street, Times Square, Roosevelt Island, the Brooklyn Bridge, the Statue of Liberty, Ellis Island, and many other sites. From an educational standpoint, to cultural exposure, and including eye-opening perspectives these fourteen students gained incredible insight about life outside of Voznesenka.

A special project for Voznesenka School is our year-long effort to create a personalized Positive Behavioral Interventions and Support (PBIS) program. A dedicated group of staff members, along with district support, tackled this project with diligence. From the onset, this program was to be implemented after winter break. After much contemplation this was postponed until the start of the 2014-15 school year. We are very excited about the roll-out of PBIS and know that waiting was the right choice for our school.

An additional school-wide project is our dedication to marine safety training, which is a two day event. The first day of training takes place at school and students learn about making MAYDAY calls, building safety shelters, they participate in a PFD fashion show, and they receive instruction from several fire fighters about their equipment, use of flares, as well as practicing to use a fire extinguisher. After several years, this year

the second day of training took place at the Homer Harbor. Here students received instruction from several members of the Coast Guard and an AMSEA (Alaska Marine Safety Education Association) instructor. Coast Guard members instructed students on using a dewatering pump and knot tying. An AMSEA instructor reviewed boating safety and how to conduct emergency drills. Students were also provided an opportunity to practice getting into immersion suits, swimming with them, and entering a life raft while in an immersion suit.

West Homer Elementary School has worked hard to provide a well-rounded, outstanding academic program for students. In 2013/14:

- In 2013 West Homer Elementary School (WHE) was recognized by the state of Alaska as a 5-Star school.
- In 2013 WHE was recognized by the state of Alaska as both a *Highest Preforming* school and as a *High Progress* school. WHE was one of nineteen schools state wide to be recognized in both categories.
- WHE had two very deserving teachers nominated for the BP Teacher of Excellence Award: Katie Bynagle and Barb Veeck. Barb Veeck was named the Kenai Peninsula BP Teacher of Excellence for the 2014 school year.
- WHE's Battle of the Books Grade 3-4 team placed 1st in district and 5th in the state of Alaska.
- WHE's Battle of the Books Grade 5-6 team placed third in the district.
- WHE's Mind-A-Mazes team placed 2nd Overall for the Long-Term Problem; and received the Judges' Choice Award for most creative design
- WHE is the only elementary school in the state of Alaska to have a Youth Court.
 For the 2013-2014 school year we had 16 active participants, 4 students with perfect scores thereby being sworn in as judges, and we participated in the State Youth Court conference.
- WHE conducted an Art Fair that was a great success.
- WHE sent representative Peter Syth to the state spelling Bee and representative Micah Mershon to the state Geography Bowl.
- WHE school 6th grade student, Noah Fisk, recived the Mansonic Outstanding Achievement Award.
- West Homer Elementary continues to offer a locally relevant academic programs in outdoor education which takes advantage of our close proximity to Kachemak Bay. This is exemplified by our school's working in conjunction with the Alaska Dept. of Fish and Game as part of the Kachemak Invasive Species Monitoring program.
- WHE is also quite talented musically, with our music and band students providing concerts twice yearly to rave reviews. Additionally, we performed a Christmas show for the Long Term care unit at the local hospital.

- Athletically, WHE students were offered many sport and club opportunities from which to choose: soccer, cross country running, X-country skiing, volleyball, wrestling, basketball and gymnastics.
- West Homer student maintain garden boxes that were established in 2011-2012 with a People's Garden Grant and gardening grant from the Alaska Department of Natural resources. We utilize our annual crop of potatoes for a Potato-fest event and feed every student in the school as well as dozens of parents.
- At the KPBSD's Robotics Competition WHE's won both the *Robot Design Award* and the *Judge's Award* and competed at the state level.
- WHE was awarded a KPBSD professional development grant that was focused on Peer Observations.
- West Homer Elementary School has a very positive, enthusiastic, growing PTO that is focused on supporting and improving education and programs for students.
