154263			<p>Premium Material: highest quality first run iron ore available, not scrap.</p> <p>Void free surface: A proprietary casting process so each bell can reach the highest quality and have the cleanest finish possible. This also allows us to have a smooth, comfortable handle.</p> <p>Single Piece Casting: Cast in one solid piece, creating a stronger, more reliable handle and a void free surface. No plastic caps, plugs.</p> <p>Wide Flat Machined Base: Machine the base of the kettlebell flat (not leave it as a raw casting) so it sits perfectly on the floor and does not wobble.</p> <p>Finish: Matte black powder coat finish that has a great feel and will hold chalk. This feels more natural than a thick epoxy finish.</p> <p>Colors: Color coded the handles.</p> <p>Length, width, &amp; height varies depending by weight.</p> <p>Size/Color - 13 lb. - 1.2"D Handle</p> <p>Acceptable brands - Rogue Fitness #IP0002</p> <p><input checked="" type="checkbox"/> or an approved equal (sample/literature required)</p> <p><input type="checkbox"/> only</p>	<p>_____</p> <p>BRAND/MODEL #</p> <p>_____</p> <p>Is item available now? Give due date</p>

# 46		8		EA		<b>WALL BALL TARGET</b>	\$ _____	\$ _____
154263						<p>Bolt Together Wall Ball Target for use with Infinity/Monster Lite or equal.</p> <p>Measuring 16" in diameter and 3/16" thick, the Wall Ball Target bolts easily to an existing Infinity or Monster Lite upright, with standard CrossFit wall ball height options of 9', 9.5', and 10'. When mounted at its highest setting, the center of the target will sit 12" above the top of the upright (Will need a 9' or taller upright to reach competition height). The plate can also be rotated sideways and mounted to a 43" crossmember or Rogue X-70 Beam using the provided 5/8" hardware.</p> <p>The target includes a crosshair sticker to improve accuracy on wall ball shots.</p> <p><b><u>Gear Specs:</u></b></p> <p>Material Type: 0.1875" Steel Plate</p> <p>Size/Color - 16"D - Black</p> <p>Acceptable brands - Rogue Fitness #RF0486</p> <p><input checked="" type="checkbox"/> or an approved equal (sample/literature required)</p> <p><input type="checkbox"/> only</p>
