## SAMPLE LETTER

To the Parent(s)/Guardian(s) of :

Your student was involved in an incident/accident on 8/20/2019.

Attached is the Myer-Stevens Student Accident Coverage – Accident Claim Form with Part A completed regarding this injury which must be returned directly to Myers-Stevens within 12 months of the date of injury.

The school district carries accident coverage through Myers-Stevens that covers students who are injured during school-time or a school sponsored event.

If you currently have your own insurance, the Myers-Stevens coverage would be secondary. This coverage pays 80% of Usual, Customary and Reasonable charges up to a maximum of \$25,000 for many hospital and professional service expenses incurred by students' families for school-time accidents including tackle football. The coverage has a \$50 deductible, and the parents/guardians of the injured student will be responsible for this deductible, as well as the remaining balance. Full details of what is covered and excluded may be obtained at the District Office at 714-8858, or by calling AML/JIA directly at 800-827-4695.
