

SCHOOL REPORT CARD for 2016-2017 SCHOOL YEAR

School:	Soldotna Elementary	District:	Kenai Peninsula Borough School District
Grade span:	PK - 6	School Enrollment:	338
ASPI Score:	from 2013-2014: 92.23	Star Rating:	from 2013-2014: ****
Title I School?	Yes	Title I Program:	Targeted Assistance
Accreditation:	NA		

A Title I school receives federal money to support low-achieving students. A Schoolwide Title I Program uses the money to improve the education for all students. A Targeted Assistance Title I Program uses the money to provide help for students who need it most.

This School Report Card presents information about the school's performance for the 2016-2017 school year. The Performance Evaluation for Alaska's Schools (PEAKS) assessment in English Language Arts and Mathematics were given for the first time in spring 2017 to students in grades 3-10. These two new assessments replaced the former Alaska Measures of Progress (AMP) assessments in English Language Arts and Mathematics. Students in grades 4, 8, and 10 also took the Alaska Science Assessment.

For 2016-2017, there are no Alaska School Performance Index (ASPI) star ratings and Annual Measurable Objective (AMOs) Progress reports. Due to the passage of the Every Student Succeeds Act (ESSA), which replaced the No Child Left Behind (NCLB) Act, the accountability system remains paused until the state implements a new accountability system. The ASPI score and star rating reported above are the same as those from the 2013-2014 school year. Under ASPI, each school received a score on a 100-point scale and a star rating from 5-stars (highest) to 1-star. The ASPI score and star rating gave an overall picture of how well the school did to prepare students to be college-, career- and culturally ready graduates.

For 2016-2017, schools received an Accountability Indicators Report that reports the percentage of full-academic year students in the school, district, and state who were proficient in English language arts and mathematics, along with the participation rates, attendance rates, and graduation rates for all students and subgroups. A copy of that report is found at the end of this School Report Card.

Two-Year Trend for District Students Scoring Proficient or Above by Grade Level on the Alaska Science Assessment

Note: In the spring of 2016, the Alaska Measures of Progress (AMP), a computer-based test, experienced repeated technical disruptions and testing was suspended. Effective April 1, 2016, the Alaska Measures of Progress (AMP) tests in English Language Arts and Mathematics for students in grades 3-10; alternate assessments in those subjects and grades for students with significant cognitive disabilities; and science tests in grades 4, 8, 10 were canceled for the 2015-2016 year. Due to this unforeseen circumstance the results from the 2015-2016 school year are unavailable due to their cancelation.

A two-year trend for English Language Arts and Mathematics assessments is unavailable for 2016-2017 due to the transition from AMP to PEAKS. Two-year trends for English Language Arts and Mathematics will be reported starting in 2017-2018.

Notes:

1. Full Academic Year (FAY) = Students enrolled continuously from October 1 through the first day of testing.
2. Individual student performance on PEAKS is reported in one of four achievement levels: Advanced, Proficient, Below Proficient, or Far Below Proficient. The percentages in this table include students at the Advanced and Proficient levels.
3. Students with Disabilities (SWD) and English Learners (EL) subgroups include assessment scores of former SWD and former EL students that are being monitored for two years.
4. The participation rate target is 95 percent if the number of enrolled students is greater than 40. If the number of enrolled students is 40 or less, all but two students must test. Subgroups with fewer than five students will reflect "n/a" in the "Target Met?" field.
5. The attendance rate target is 95 percent for the school as a whole and each subgroup with at least five students enrolled.
6. The graduation rate target is 90 percent for the school as a whole and each subgroup with at least five members if the school enrolls students in grade 12. A school or subgroup with 10 or fewer students satisfies the graduation rate requirement if all but one of those students graduate. A school meets this target if either the four- or five-year rate meets these criteria.

* - Cells with an asterisk represent at least one and no more than four students assessed. These data are suppressed to protect individual student confidentiality.
