June 2018

To: Participants of the Kenai Peninsula Borough School District Health Care Plan

Re: Coalition Health Center

Summary of Material Modification

The following change has been made to the Kenai Peninsula Borough School District Health Care Plan:

Coalition Health Center

Starting September 1, 2018, you and your covered family members may use the Coalition Health Center (CHC) in Anchorage.

The CHC provides preventive care, primary care, and treatment of minor injuries and illness. Lab and x-ray services are provided on site. The CHC will also dispense low cost generic medications, when appropriate. The CHC can also provide pre-operative and post-operative visits if you are using Bridge Health for surgical services.

Services received at the CHC are not subject to the deductible and the following copay will apply per visit:

- Preventive Care Services—no cost to you
- Services received for a Bridge Health procedure (pre-operative and post-operative care)—no cost to you
- All Other Services—\$30.00 copayment

You are not required to use the CHC, but it is an option if you wish to receive services in Anchorage. The KPBSD Health Care Plan has preferred pricing with the CHC, which saves money for you and for the Health Plan.

The CHC is located on the Alaska Regional Hospital campus, in Building C: 2741 Debarr Road, Suite C210. Please call for an appointment, 907-264-1370. For more information about the CHC, go to www.coalitionhealthcenter.com.

If you have any questions regarding your benefits, please contact Stacey Cockroft, Employee Benefits Manager, at 907.714.8879.
