RE: 2007-2008 School Year General Information

Enclosed are the [2007-2008 School Board Goals](#) showing the specific direction being taken for the upcoming school year.

Please remember to send a copy of your minutes (unapproved is fine) to Sally Tachick, my secretary; as soon after meetings as possible. I review these and learn valuable information about your school and community.

This school year there will be two districtwide parent group and site council training sessions (see attached agendas for [October 17, 2007](#) and [February 6, 2008](#)). Please check with your administrator to make sure that a representative (an officer if possible) has been designated to attend. Schools are welcome to send more than one person for training; unfortunately there are no travel funds available.

As always, thank you for your willingness to serve. Have a great year.
