

**Carol Butler**  
**Golden Apple Award Recipient**  
**March 15, 2004**

Carol Butler has been a school district team member for 25 years; starting in 1978 as a part-time custodian at Kenai Central High School; she is currently school custodian at Skyview High School. Carol has been a staff member at Skyview since the school opened in 1990.

When asked to describe Carol, her co-workers and supervisors unanimously point out her smile and laugh. They find it uniquely Carol that she can complete any task, no matter how mundane or horrific, with a smile on her face. One co-worker stated that Carol gives others a “warm feeling in your heart.

Carol’s work ethic is admirable; she assists the many students and staff at Skyview High School in a myriad of ways. She always goes above and beyond what is expected of her. After 25 years of custodial experience, Carol has proven herself to be a valuable asset to other custodians in the district.

Carol is not only concerned about the safety and well-being of the Skyview community, but the school often has “overnight guests” and Carol is there to assure their comfort and safety as well. She has the uncanny gift of listening to what others are saying. She is compassionate and understanding to the students and all those which she comes in contact.

Please join us, the Board of Education, in honoring Carol Butler for her outstanding service to the Kenai Peninsula Borough School District and the students that we serve.
