

Dennis Spindler
Golden Apple Award Recipient
April 3, 2006

Dennis Spindler has touched the lives of thousands of students during his twenty-five year tenure with the Kenai Peninsula Borough School District. Dennis is currently the head custodian at Soldotna High School.

According to principal Todd Syverson, “Mr. Spindler takes a great deal of pride in providing excellence. He is truly a teacher and helps support the learning process in many ways.”

It is his focus on safety and his “can do” attitude that make Dennis an incredible member of the District’s educational team. Dennis often volunteers to help with after-school activities and his willingness to come in during various vacation breaks to ensure that the school is warm and snow free is to be commended. It is apparent that he has Sohi pride!

Administration, staff and students all agree that Dennis helps provide the best possible education for Soldotna’s youth. Please join us, the Board of Education, in recognizing Dennis Spindler’s outstanding service to the Kenai Peninsula Borough School District.
