Guiding Principles, Mission Statement and Vision Statement

Guiding Principles

1. Each student can learn and be successful
2. Each individual is recognized as unique, valuable, and is treated with respect and dignity
3. Learning is a lifelong process
4. Early intervention is crucial to ensure overall development and achievement
5. The educational experience of our students depends on partnerships within our diverse communities
6. The educational environment is safe, orderly, and engaging
7. High standards and expectations are essential elements for student success not student failure
8. Continuous improvement is embraced
9. Decisions are student-centered, data-driven, and made collaboratively
10. We provide differentiated opportunities to meet individual student needs.
11. There is a commitment to collaboration and effective instruction
12. Teachers are facilitators of learning and agents of inspiration
13. All students are inspired to learn through their school experiences
14. Our Pre K-12 education system is adaptable and responsive

Draft Mission Statements

The mission of the Kenai Peninsula Borough School District is to develop productive, responsible, citizens who are prepared to be successful in rapidly changing environments.

The mission of the Kenai Peninsula Borough School District is to develop productive, responsible students who are prepared for success in our dynamic world.

The mission of the Kenai Peninsula Borough School District is to deliver an adaptive, responsive education that empowers all students to graduate, and be college or career ready.

Draft Vision Statements

We envision a world-class school district where every student graduates inspired and motivated to positively change our world.

We envision delivering a world-class education where every student graduates inspired to positively change our world.

We envision delivering a world-class education where every student is engaged and graduates prepared to make a positive contribution to our dynamic world.
