

**Bernie Clark**  
**Golden Apple Award Recipient**  
**September 8, 2003**

Bernie Clark has been a member of the Kenai Peninsula Borough School District educational team for twenty-two years. Joining the District in 1981, Bernie taught at Seward Middle/High School; since 1990, he has served as teacher, coach and athletic director at Ninilchik School.

As an educator, Bernie's efforts have extended well outside the classroom. Throughout his teaching career, Bernie gave 100% to students; whether it was in the classroom or in the athletic arena. He has been an avid supporter of students in extracurricular activities and community events. Bernie has made students feel welcome and most importantly, wanted.

Mike Wetherbee, Ninilchik School principal, states that "Bernie has been considered a master teacher throughout his tenure at Ninilchik School." After more than twenty-nine years of educational service, Bernie has recently retired from teaching; the students and staff of Ninilchik School and the Kenai Peninsula are better off for having had Mr. Clark as an educator, coworker and friend.

We, the Board of Education, recognize Bernie Clark as a master teacher and invite you to join us in honoring him for his outstanding service to the Kenai Peninsula Borough School District.
