MEMORANDUM

TO: Board of Education

FROM: Dave Jones, Assistant Superintendent

RE: Worksession Review of Field Trip Policy

BP & AR 6153 School Sponsored Trips has previously been reviewed by the Policy Committee on two occasions, reviewed by a previous Board worksession, and has had a first read with the full Board. It was then sent back to the Policy Review Committee for further review. At the Policy Review Committee meeting, some of the areas of concern were:

- 1) Should community members be held to the same drug and alcohol-free standard as students, sponsors and chaperones?
- 2) What is the District liability with community members going on a school sponsored trip?
- 3) The issue of field trips not sponsored by the District.

At Committee request, the revised field trip policy was forwarded to Andie Stone for her review.

The Policy Committee and concerned parties met today (February 18) just prior to the worksessions for review of attorney recommendations and additional input.

Attached are
