

1st Grade: Family and School Neighborhood Unit 2– GEOGRAPHY

Big Ideas:

1. Make a map of the school neighborhood and include a map key
2. Identify basic landforms on a neighborhood/community map

Essential Student Questions:

1. What is geography?
2. Where are the landforms in my school community?
3. What information can a map legend tell us?

Literacy Standards	Content Standards
LA.RI.1.6 Distinguish between information provided by photos or other graphics and information provided by the words in a text.	GY.A.1 Use maps and globes to locate places and regions.
ELA.W.1.8 With guidance and support from adults, recall information from experiences or gather information from provided sources to answer a question.	GY.A.2 Make maps, globes, and graphs.
	GY.B.1 Know that places have distinctive geographic characteristics;
