**What's orange, sweet,
AND good for you?**

Sweet potatoes are naturally sweet, candy-colored veggies. And they're fun to make, too! Mash two baked sweet potatoes with a tablespoon of olive oil, a couple tablespoons of OJ, and half a teaspoon of a spice called garam masala (Google it!). Try this sweet, healthy treat in October, and you'll want to gobble it all winter long!

OUR NATION'S HISTORY

WITH LIBERTY & JUSTICE FOR ALL

October brings the 110th renewal of the Baseball World Series. One of the greatest hitters ever, Ted Williams of the Boston Red Sox, only played in the World Series once during his long career from 1939 to 1960. During the prime of his career, however, Williams spent the better part of five baseball seasons serving as a fighter pilot in World War II and the Korean War, flying dozens of combat missions and earning 3 Air Medals.
