KENAI PENINSULA BOROUGH SCHOOL DISTRICT

NEWS RELEASE

Alaska Senate proposes 5% cut to education funding

Soldotna, April 4, 2017—The Senate Finance Committee proposed a 5% cut to education funding, creating an additional deficit hit of \$5.29 million to the KPBSD. Plus, the 5% links to a second cut of \$1.21 million by reducing the maximum allowable contribution the Borough may contribute to KPBSD, thus the cuts could total \$6.51 million.

But, you can speak up now to tell our legislators why a cut this large will harm children, and the future of our youth and communities. Cutting education by 5% to solve the state fiscal crisis hurts classroom success and innovation, our youth, and future generations.

Therefore, this week, please call, write, testify, or speak face-to-face to Alaska Senators, and [your local legislators](#). Tell a part of your story: What is one simple way that your KPBSD school has made a difference to you or your family? How are innovations in the classroom preparing children for their future? Please help propel the quality of education forward through a request for status quo education funding, and a viable solution to the state fiscal crisis.

Senate Finance Committee 5% Base Student Allocation (BSA) cut to education in [HB57](#):

- ◆ State contribution to KPBSD is reduced by \$5,293,712
- ◆ Borough maximum allowable contribution to KPBSD is reduced by \$1,217,554
- ◆ Additional potential FY18 revenue loss: \$6,511,266

On April 3, 2017, KPBSD administration put forth the [preliminary FY18 Status Quo funded budget to the Board of Education](#). (This budget does not include the additional 5% BSA cut.)

- ◆ Already, the FY18 budget includes a deficit of \$3.49 million
- ◆ Expenditure reductions of \$2,619,308 includes the elimination of 30.5 full time equivalent (FTE) positions, and use of General Fund savings

“I’m very concerned that the legislature is proposing these further reductions to education funding, particularly this late in our process of budgeting and staffing for next year,” said Superintendent Sean Dusek. “KPBSD is committed to deliver a quality education to our students, and provide stability for our staff and communities. These reductions compromise our ability to prepare our students for their future.”
