

Discovery Education in Your Classroom

This ***Discovery Education*** training will include a webinar with a DE trainer who will cover new features that facilitate collaboration, creativity, and student engagement, all while saving teachers time. Additional topics explored will be DE's board builder presentation tool, virtual field trips, strategies for using DE resources, and how to integrate DE content into your Canvas courses.

Explore/work time will be a part of the agenda for the day.

This training is appropriate for all teachers, including those new to ***Discovery Education*** or those looking for a refresher on this fabulous resource.

Is this training for you?... feel free to contact Karla Barkman.
