

An Alaska Wildlife Curriculum & Project WILD workshop  
Sponsored by ADF&G and the Alaska Zoo

# Alaska's Animals!

## What's Wild on the Kenai??

Adaptations, Locomotion, Animal Signs, Food Chains/Webbs,  
Ecology, Habitat, Patterns and a little animal Venn Shui!

- Professional Development Workshop for educators, parents, agency staff and youth camp coordinators.
- Focus on the Alaska Wildlife Curriculum, Growing Up WILD, Aquatic WILD and the *NEW Alaska's Bears Teacher's Guide!*
- ADFG resources including training on using Trail Cameras (Critter Cams) to catch wildlife near your school!
- Engage Inquiry based techniques and multiple disciplines into your lesson while building language arts skills.
- Gain content background on a variety of wildlife species and topics...all questions big and small, are welcome.
