August 31, 2008

I regret that I will be unable to complete this school year at Tebughna School. It was a very difficult beginning for me and I tried everything in my power to handle the situation. I believe I got in over my head. I am greatly struggling in the classroom, in the community, and all the two problems present together.

I greatly appreciate the opportunity that was offered to me here in Tyonek. It was something that I was very much looking forward to. The staff has been very understanding and supportive.

My last day will be September 5, 2008.

Thank you,

Sarah Ford
