**DATE:** March 22, 2010  
**TO:** Members, Board of Education  
**FROM:** Steve Atwater, Ph.D.   
Superintendent of Schools  
**RE:** Charter School Annual Reports

During the March 1 worksession, the Board suggested that Charter Schools be required to submit an annual report to the superintendent.

The administration recommends that the Board include language in each District charter school renewal contract that requires an annual report be submitted to the superintendent as part of their end of the year check out process. Aurora Borealis Charter, Fireweed Charter and Montessori Charter contracts expire in 2012, and Kaleidoscope Charter expires in 2013.
