# Connections School School Report Card for 2012-2013 School Year

School:	Connections School	District:	Kenai Peninsula Borough School District
Gradespan:	K-12	School Enrollment:	886
ASPI Score:	84.01	Star Rating:	3 Star
Title I School?	No	Title I Program:	
Accreditation:	The Northwest Accreditation Commission/AdvancED Alaska		

A Title I school receives federal money to support low-achieving students. A Schoolwide Title I Program uses the money to improve the education for all students. A Targeted Assistance Title I Program uses the money to provide help for students who need it most.

This School Report Card presents information about the school's performance for the 2012-2013 school year. In May 2013, Alaska received permission to replace the Adequate Yearly Progress system of No Child Left Behind with a new state system. The new accountability system is based on two prongs: the Alaska School Performance Index (ASPI) for schools and the Annual Measurable Objective (AMO) targets for schools, districts, and the state.

Under ASPI, each school receives a score on a 100-point scale and a star rating from 5-stars (highest) to 1-star. The ASPI score and star rating give an overall picture of how well the school is doing to prepare the students to be college-, career- and culturally ready graduates.

The AMO targets have been revised with the goal that each school will reduce the percent of students not proficient on the reading, writing, and math tests by half at the end of six years. Each school will receive a report every year showing the percentage of students that were proficient on each test and whether the school has met the targets for the year.

Copies of the 2013 School ASPI Report and the 2013 School AMO Report are found at the end of this School Report Card.

More information about the new system and the ASPI and AMO reports for schools can be found on the Department of Education & Early Development website at: <u>Alaska Department of Education & Early Development</u>

NOTES:

. If a subgroup has fewer than five students enrolled in tested grades, "N/A" has been entered for the proficiency percentage and "Target Met?" fields.

2. Students with Disabilities (SWD) and Limited English Proficient (LEP) subgroups include assessment scores of former SWD and former LEP student that are being monitored for two verses.

students that are being monitored for two years. 3. Proficiency percentage is based on "Full Academic Year" (FAY) students enrolled from October 1 through the first day of testing in spring 2013. 4. The AMO target is met if either the state <u>or</u> the school target has been met.

5. The participation rate target is 95 percent if the number of enrolled students is greater than 40. If the number of enrolled students is 40 or less, all but two students must test. Subgroups with fewer than five students will reflect "N/A" in the "Target Met?" field.

6. The attendance rate target is 95 percent for the school as a whole and for each subgroup with at least five students enrolled.

 The graduation rate target is 90 percent for the school as a whole and for each subgroup with at least five members if the school enrolls students in grade 12.
