2017-2018 School Development Plan

Soldotna High

KPBSD Mission Statement	KPBSD Vision Statement	KPBSD Guiding Principles
The mission of the Kenai Peninsula Borough School District is to develop productive, responsible citizens who are prepared to be successful in a dynamic world.	We envision KPBSD students who engage in their learning, participate in their community, reach high levels of achievement, and graduate prepared for their future.	Each student can learn and be successful. Every student is recognized as unique, valuable, and is treated with respect and dignity. Learning is a lifelong process. The educational environment is safe, engaging and purposeful.

Step 1: Using the questions below, discuss each of the key areas related to KPBSD's strategic plan

Step 2: Based on your discussion, use the Harvey Balls below to make a current selection for each area

Emerging: Not yet addressed or minimal foundation in place at this time; we have **significant room for growth** to get where we want to be

Emerging

Developing: Good foundation in place at this time; still **much room for growth** to get where we'd like to be

Developing

Advancing: Excellent foundation in place at this time; we have **some room for growth** to get where we'd like to be

Advancing

Sustaining: In fantastic shape right now and just need to sustain what we have; **little to no room for growth** at this time

Sustaining

Area of Focus: Rigor	Record discussion notes here	Select a current ranking for your school in this area
Rigor Goal: All students will achieve high levels of academic rigor. Key Discussion Questions: <ul style="list-style-type: none"> - In what ways do our instructional strategies create rigor in the classroom? - How well does do our metrics measure student performance? - Is student growth and success determined through multiple measures of learning? - What steps might we take to increase the rigor of our classrooms? 	Teachers use formative assessments and summative assessments. Students have the opportunity to retake assessments after remediation if needed.	Developing
Area of Focus: Relevance	Record discussion notes here	Select a current ranking for your school in this area
Relevance Goal: Experience a personalized learning system. Key Discussion Questions: <ul style="list-style-type: none"> - In what ways do we create a flexible instructional model that meets the needs and interests of each learner? In what ways might we improve? - How do we help our students to develop healthy lifestyles and make healthy choices? - How can our school better engage families and leverage resources beyond the classroom? 	Canvas, online courses, electives, POLYCOM, SALT face-to-face classes, community service embedded into instruction; these are all ways that we are creating a flexible instructional model. We also have our after school library open until 4:30 pm with a certified staff member to work with students should they choose. Community welcome back BBQ, radio interviews to garner support for athletics by students and for teaching by staff member, reaching out to long term partners such as Chamber of Commerce with thank you by teacher of the year and student representatives. We can better engage families by making the school the community hub. Make it a place that everyone wants to use and go to throughout the school year as well as the summer.	Advancing
Area of Focus: Responsive	Record discussion notes here	Select a current ranking for your school in this area
Responsive Goal: Be immersed in a high quality instructional environment. Key Discussion Questions: <ul style="list-style-type: none"> - In what ways does our school and staff prioritize strong, positive relationships with students to meet their social and emotional needs? - What instructional strategies are used by our staff to target student needs? How can we support our staff to strengthen their instructional practice? - Does our school foster a culture of innovation? What steps might we take to better support such a culture? 	Our staff build relationships through Homeroom/FOL as well as by showing an interest in students lives beyond the classroom. Will be developing the personalized learning strategies to target individual students within the classroom. Have added courses and intervention strategies within the master schedule and system this year. Our school has welcomed innovation and worked at implementation with changes to using Canvas, the master bell schedule, FOL, partnerships with other schools and colleges, and intervention.
