KPBSD Mission Statement		KPBSD Vision Statement	KPBSD Guiding Principles
The mission of the Kenai Peninsula Borough School District is to develop productive, responsible citizens who are prepared to be successful in a dynamic world.		We envision KPBSD students who engage in their learning, participate in their community, reach high levels of achievement, and graduate prepared for their future.	Each student can learn and be successful. Every student is recognized as unique, valuable, and is treated with respect and dignity. Learning is a lifelong process. The educational environment is safe, engaging and purposeful.
Step 1: Using the questions below, discuss each of the key areas related to KPBSD's strategic plan			
Step 2: Based on your discussion, use the Harvey Balls below to make a current selection for each area			
Emerging: Not yet addressed or minimal foundation in place at this time; we have significant room for growth to get where we want to be		 Emerging	
Developing: Good foundation in place at this time; still much room for growth to get where we'd like to be		 Developing	
Advancing: Excellent foundation in place at this time; we have some room for growth to get where we'd like to be		 Advancing	
Sustaining: In fantastic shape right now and just need to sustain what we have; little to no room for growth at this time		 Sustaining	
Area of Focus: Rigor		Record discussion notes here	Select a current ranking for your school in this area

Rigor Goal: All students will achieve high levels of academic rigor. Key Discussion Questions: - In what ways do our instructional strategies create rigor in the classroom? - How well does do our metrics measure student performance? - Is student growth and success determined through multiple measures of learning? - What steps might we take to increase the rigor of our classrooms?	Instructional strategies are utilized to challenge students thinking rather than just their time. Teachers use formative and summative assessments with the opportunity for retake after remediation.	Developing
Area of Focus: Relevance	Record discussion notes here	Select a current ranking for your school in this area
Relevance Goal: Experience a personalized learning system. Key Discussion Questions: - In what ways do we create a flexible instructional model that meets the needs and interests of each learner? In what ways might we improve? - How do we help our students to develop healthy lifestyles and make healthy choices? - How can our school better engage families and leverage resources beyond the classroom?	New FOL period each day adds to student voice and choice. Teachers are increasing the amount of student voice and choice in the classroom. Relationships with positive adults who care about students is the key to influencing healthy choices. Families are invited to participate in various evening events and conferences. Communication through remind app and messenger are available resources in addition to PowerSchool.	Developing
Area of Focus: Responsive		Select a current ranking for your school in this area
Responsive Goal: Be immersed in a high quality instructional environment. Key Discussion Questions: - In what ways does our school and staff prioritize strong, positive relationships with students to meet their social and emotional needs? - What instructional strategies are used by our staff to target student needs? How can we support our staff to strengthen their instructional practice? - Does our school foster a culture of innovation? What steps might we take to better support such a culture?	Our staff build relationships through Homeroom/FOL as well as by showing an interest in students lives beyond the classroom. Will be developing the personalized learning strategies to target individual students within the classroom. Have added courses and intervention strategies within the master schedule and system this year. Or school has welcomed innovation and worked at implementation with changes to using Canvas, the master bell schedule, FOL, and intervention.	Developing
