ADDENDUM #1

November 21, 2019

TO: ALL PROSPECTIVE BIDDERS

SUBJECT: REQUEST FOR PROPOSAL, #101-20 E-Rate Telecommunications Services & Equipment

DUE: 4:00 P.M. Alaska Time, January 31, 2020

The following changes, additions and clarifications are hereby made to the subject Request for Proposal:

Clarification is made as follows:

References within the Executive Summary to "provider-owned and [provider-]managed" are clarified to read "provider-owned OR provider-managed". KPBSD maintains no requirement that the provider own the underlying infrastructure used to deliver managed service to KPBSD (providers may secure access to available infrastructure through their own leases with other providers, etc.). Other references to “provider-owned” within the RFP specifications (such as those in Part 1.1 A6, Part 1.2 A9, and Part 2 Rows B1-B4, C1-C22, D1, F1) are used to describe the current circuit delivery, not a requirement of proposed delivery.

NOTE TO BIDDERS: Please sign and return one (1) copy of this sheet with your Bid to acknowledge receipt of Addendum #1 REQUEST FOR PROPOSAL - #101-20.
