February 13, 2007

To: Members, Board of Education

Through: Glen Szymoniak, Asst. Supt.

From: Dave Spence, Director, Planning and Operations 

Subject: Energy Education, Inc.

As you may recall, in April of 2005 Energy Education, Incorporated (EEI) made a presentation to the school district regarding utility savings through strategic energy management. After further study, and in light of rising energy costs, EEI prepared an update of potential reductions. Mr. Ed Graff of EEI Consulting will make a presentation at the school board worksession of February 19<sup>th</sup>.
