Dear Ms. Sandahl:

Please accept this letter as formal notification that I will be leaving my position on the last day of my contract, May 24.

Thank you for the many teaching opportunities. I have enjoyed working with all of the students from pre-school through high school and with a fine staff as well. I will miss Seward very much.

If I can be of any assistance during this transition and/or when school begins, please do not hesitate to call me or email me. Again, thank you.

Sincerely,

Dear Dr. Peterson,

The purpose of this letter is to inform you that I have accepted a position as Principal of the Mat-Su Career and Technical High School with the Matanuska-Susitna Borough School District. Taking this new journey is both bitter/sweet. I am excited with the opportunity and challenge in front of me, but sad to leave a place where Jane and I have centered our lives for the last twenty-six years. We came to the Kenai for our honeymoon as newlyweds. We later experienced the joys of creating our own family, and also have dealt with the sorrows experienced when we receive those dreaded phone calls informing us we have lost loved ones. Through it all, the district has not only provided me with employment but has played an important role in my family's lives.

Therefore, with a heavy heart, I tender my resignation with the Kenai Peninsula Borough School District effective upon completion of my administrative duties for the 2006-2007 school year.

Sincerely

Mr. Ben Eveland

Dear Mr. Peterson,

I am writing to let you know that I will not be able to sign my teaching contract for the 2007-2008 school year. On March 28, 2007 I was given a contract with the assumption that it would be full-time special education in Seldovia and later found out that the district has reconfigured the position to .75 Special Education Teacher .25 Title I. I'd like to thank you for the opportunity to work in your district and in the wonderful city of Seldovia and hope in the future I may be a part of your team again.

Sincerely,

Shannon Riley
