

**KENAI PENINSULA BOROUGH SCHOOL DISTRICT**  
Assessment Data Release

Student test scores provide teachers and administrators with valuable information about your student's academic strengths and challenges. Reviewing test data helps us focus on the skills your student most needs to develop. If your student is new to our district and attended another school in Alaska, we need your permission to request test scores from the State of Alaska.

Alaska Student ID Number \_\_\_\_\_

Student Name \_\_\_\_\_

School Name \_\_\_\_\_

I give permission for the State of Alaska, Department of Education and Early Development to release my student's test scores and other assessment data to the Kenai Peninsula Borough School District.
