

Cathy Brothen Golden Apple Award

Cathy Brothen joined the Kenai Peninsula Borough School District educational team in 1976. Throughout her tenure, Cathy has taught at several schools, including Kenai Junior High, Soldotna Elementary, K-Beach Elementary, Tustumena Elementary and Redoubt Elementary. Cathy's most recent assignment has been as an elementary educator with the Connections Program.

While Connections is a home school/distance learning educational program, Cathy has "stepped outside of the box" to provide additional educational activities for her students and parents. Cathy Brothen exemplifies a commitment to excellence in education, she believes in open communication and expects student accountability. She is indeed a role model for all educators, a true "Master Teacher"; the reason the community still believes in public education.

During the last 26 years, Cathy has given her all to educating the children of the Kenai Peninsula. The Kenai Peninsula Borough School District Board of Education wishes to recognize Cathy's contributions by awarding her the Golden Apple Award for Outstanding Service to the District. Thank you for your outstanding service and may you continue to touch the lives of those of whom you come in contact during your retirement.
