

Lynne Sandahl
Golden Apple Recipient
August 5, 2002

Lynne Sandahl has been a member of the Human Resources staff for twelve years. During that time, Lynne has provided assistance to literally all members of the school district's staff. Lynne has become the resident expert on staffing formulas and teacher retirement. Employees know that if they have a question they can seek out Lynne for assistance and they will always be greeted with a smile. Her outstanding professionalism has been recognized not only by district employees, but also by other community and professional organizations.

Lynne is a model employee. She maintains her pleasant and personable disposition even under extreme time pressures or adverse situations. Lynne's duties as Human Resources Analyst are extremely technical and require a great amount of attention to detail and accuracy, yet she is able to balance the technical aspect with the human aspect of her position.

Please join us, the Board of Education, in recognizing Lynne Sandahl's outstanding contribution to education on the Kenai Peninsula.
