

Diane Bush
Golden Apple Award Recipient
June 6, 2005

Some people talk about getting things done, others simply make things happen. Diane Bush makes things happen! She makes a positive contribution to our schools and community through her “how can I help” attitude and her “let’s do it” spirit.

Diane has been a long-time volunteer at Redoubt Elementary School. For the past three years Diane has single-handedly operated the school’s breakfast program; each morning feeding between 40 and 65 students.

The Redoubt Elementary breakfast program is not a district-funded program; therefore, Diane has actively solicited community organizations, church groups and local businesses for support and donations.

Diane’s commitment to the children has always been apparent, but never as apparent as last fall when her daughter left Redoubt Elementary and headed to Soldotna Middle School. Diane continued to volunteer numerous hours to coordinate the Redoubt breakfast program.

School and community volunteers, such as Diane, enable the Kenai Peninsula Borough School District to accomplish far more than it otherwise could without their support. We, the Board of Education, would like to recognize Diane Bush for her outstanding service to the Kenai Peninsula Borough School District and its students.
