## SCHOOL BOARD COMMUNICATION

<b>Title:</b>	Support of Borough Ordinance 2012-08		
<b>Date:</b>	March 26, 2012	<b>Item Number:</b>	11e.
<b>From:</b>	Joe Arness, President Board of Education 		
<b>Attachments:</b>	Letter from Borough Clerk and Borough Attorney, Borough Ordinance 2012-08, Individual District Maps 1 through 9		

Action Needed     For Discussion     Information     Other: \_\_\_\_\_

## BACKGROUND INFORMATION

As a result of the 2010 census, the Borough was placed in the position of having to potentially reapportion itself, and then to redistrict to maintain parity in election districts. At the municipal election in October of last year, the voters approved a reapportionment plan, which maintained 9 districts for both the Assembly and the Board of Education. After that vote, the Assembly established a committee to take a look at how to redistrict to provide some measure of equal population within the districts in the Borough; and then to decide which of those districts needed to be opened up for immediate election because of large changes in population. The attached information is the result of those deliberations. Basically, the Kenai District is the only one which changes more than 10% in its population, and therefore will be the only district to have terms truncated and opened for election this fall (outside of the regular rotation). Please note, for the Board representative, Mr. Navarre was due to stand for election anyway, so it will make no change to our rotation.

Our support of this plan is requested and if approved, will be forwarded to the Assembly.

**MIKE NAVARRE  
BOROUGH MAYOR**

### **MEMORANDUM**

**TO:** Gary Knopp, Assembly President  
Members, Kenai Peninsula Borough Assembly

**FROM:** Johni Blankenship, Borough Clerk *B*  
Colette Thompson, Borough Attorney *CT*

**DATE:** April 3, 2012

**SUBJECT:** Ordinance 2012-08, amending the borough code to revise assembly and school board district boundaries and Providing for Truncation of the Term for Assembly Seat Number 2, Kenai

In the October 4, 2012, election, the Kenai Peninsula Borough voters approved an apportionment plan with nine single-member assembly and school board districts. Following that election the assembly established a committee of three assembly members and the borough clerk to develop and recommend assembly and school district boundaries that are substantially similar to the tentative maps provided to the voters. The committee held numerous meetings and worked very closely with the Planning Department to draw district boundaries that are consistent with legal requirements. Additionally, School Board President Joe Arness attended the final meeting in which the committee addressed issues regarding truncation of terms.

This ordinance amends the code to provide the new legal descriptions for the nine districts as recommended by the committee. Additionally, because the change in population exceeds 10 percent in the new District 2, and the term of the current assembly member representing District 2 expires in October of 2014, this ordinance would truncate that term such that it would end in October 2012, and the next term would be for two years. As the term of the current school board member for District 2 ends in October 2012, no truncation is proposed. All remaining seats fall within the 10 percent guideline. Your approval of this ordinance would be appreciated.

**KENAI PENINSULA BOROUGH  
ORDINANCE 2012-08**

**AN ORDINANCE AMENDING THE BOROUGH CODE TO REVISE ASSEMBLY AND  
SCHOOL BOARD DISTRICT BOUNDARIES AND PROVIDING FOR TRUNCATION  
OF THE TERM FOR ASSEMBLY SEAT NUMBER 2, KENAI**

1 **WHEREAS**, in Resolution 2011-045 the assembly declared itself malapportioned and in  
2 Ordinance 2011-25 submitted two assembly and school board apportionment  
3 plans to the voters; and

4 **WHEREAS**, in the October 4, 2011 election, the Kenai Peninsula Borough voters approved an  
5 apportionment plan with nine single-member assembly and school board districts  
6 with each assembly and school board member elected from one district; and

7 **WHEREAS**, in Ordinance 2011-41, the assembly provided for the assembly and school board  
8 composition and form of representation that received the most votes as required  
9 by AS 29.20.070(d); and

10 **WHEREAS**, the assembly must by ordinance adopt the legal descriptions for final assembly  
11 and school board districts which comply with equal representation requirements  
12 of the United States Constitution; and

13 **WHEREAS**, a committee consisting of three assembly members and the borough clerk has  
14 recommended assembly and school district boundaries which comply with federal  
15 law and are substantially similar to the tentative maps provided to the voters for  
16 the October 2011 election and which also follow, to the extent feasible, the state  
17 precinct lines in order to help ensure simplicity and accuracy of the ballot process  
18 in future elections; and

1 **WHEREAS,** as the population on the east side of the Kenai Peninsula reduced notably since the  
2 2000 census, the western boundary for District 6 has been moved to include the  
3 east side of the Sterling area to meet equal representation requirements as well as  
4 continuing to include populations with similar economic and social interests; and

5 **WHEREAS,** adjustments are made to the remaining districts to maintain compliance with equal  
6 representation standards and continue to include populations with similar  
7 economic, cultural, and social interests, and/or to retain consistency with political  
8 boundaries; and

9 **WHEREAS,** the committee reviewed and considered whether the proposed changes would  
10 impact the voting and equal representation rights of the minority populations in  
11 the borough and determined the changes would have no impact largely because  
12 the minority populations reside throughout the entire borough; and

13 **WHEREAS,** while there is no clear rule as to whether truncation of terms is required, as a  
14 general guideline, if the number of residents in an assembly district increases by  
15 more than 10 percent after the boundary change, then truncation is recommended;  
16 and

17 **WHEREAS,** the 10 percent change is calculated by determining the number of new individuals  
18 added to the district population, and dividing that number by the new district  
19 population;

20 **WHEREAS,** district 2 has changed by more than 10 percent, which means that truncation of  
21 the terms for that district is recommended; and

22 **WHEREAS,** as the term for the current school board member in district 2 expires in 2012 but  
23 the assembly member's term for district 2 expires in 2014, there is no need to  
24 truncate the school board member's term; and

1 **WHEREAS**, at its meeting of April 2, 2012, the Kenai Peninsula Borough School Board  
2 recommended \_\_\_\_\_;

3 **NOW, THEREFORE, BE IT ORDAINED BY THE ASSEMBLY OF THE KENAI**  
4 **PENINSULA BOROUGH:**
