To Whom It May Concern;

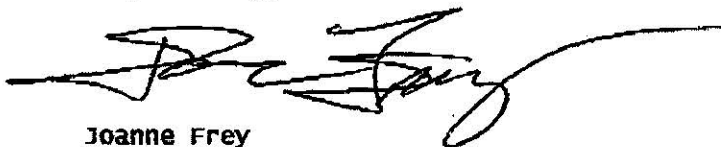

I am applying for extension of my leave to cover through the end of the current 2011/12 school year.

I live in Seward and have my master's degree and certification in special education with additional certification for 6-12 social studies and am highly qualified elementary. I have taught at the high school level doing job & life skills training as well as transitioning students into adult life for 17 years. Of my 6 years with KPBSD, I taught one year at the high school and 5 at the elementary. I have 23 years experience in special education including 10 years as a department head of special education in a school with over 250 special education students. I believe I have a lot to offer the students and district and ask for this extension so that I can continue to serve KPBSD in some capacity while living in Seward/Moose Pass area.

I respectfully request that this be submitted to the superintendent and the school board for consideration and request approval

Thanking in advance for everyone's assistance in this matter.

Respectfully,

Joanne Frey
