Re: Commencement of Sears/Mountain View consolidation

It has begun! The Steering Committee which has been commissioned by the School District to oversee the process of consolidation held its organizational meeting on Tuesday, February 27, 2007 at Mountain View Elementary.

The Steering Committee will meet each Tuesday afternoon from 4 until 5 pm in the Mountain View library. A web site has been created to post Minutes from previous meetings, agendas for upcoming meetings and a comment box for public input. The web page address is <http://www.kpbsd.k12.ak.us/superintendent.aspx?id=6352>.

Any public comments will be forwarded along to all members of the Steering Committee. Opportunities will also be provided at the meetings for public comment with rules for length (3 minutes), and content (to relate to a subject on the meeting agenda).

Again, the effort here is to make this process as user-friendly and productive as possible....and to develop a comprehensive school program which will far exceed everyone's expectations. Please join us to help fulfill this vision.

Thank You
