Board Work Session May 7, 2007

**MEMORANDUM** 

TO: Board of Education

FROM: Melody Douglas, CFO

SUBJECT: Scholarship Accounts - Kenai Peninsula Foundation

Several years ago I was approached by a school counselor who has managed scholarship accounts for many years. He expressed concerns about what will happen when historical memory, relative to scholarships, diminishes as counselors retire. Good question! It is clear that over time, and with the change of staff, that whatever is arranged originally can become inadvertently lost. When this happens, a challenge presents itself.

Because many scholarships are established as memorials, they are initiated under emotional circumstances. In such cases, schools are often in a position of agreeing to help because it's the most comforting thing to do for family members at the time. Unfortunately, it is not a function of the District to financially manage these accounts, although we have been involved for many years. That being said, schools will always be involved in the scholarship process through normal activities of school counselors in assisting students with scholarship applications and in the resulting scholarship award programs/events. Scholarship applications will continue to be available at each school's website.

The Kenai Peninsula Foundation (a 501 (c) 3 non-profit organization serving the Kenai Peninsula) recently approached the District, suggesting they provide a service to the community through the financial management (including earning interest on account balances) of scholarship funds. The Kenai Peninsula Foundation would maintain the information on the individual or circumstance memorialized through the establishment of a scholarship account and the awardees. They would provide financial records routinely and upon request

A committee of school counselors and representatives of the Kenai Peninsula Foundation has met several times to work out a process of communication and reporting. Building administrators were updated on this plan at the April 12, 2007, administrator meeting. Transitioning scholarship accounts would entail:

### Pg. 2, Scholarship Accounts - Kenai Peninsula Foundation

- Documentation about each scholarship and past awardees
- List of each scholarship account to be transferred with account instructions
- How receipt of funds would be handled; direct payment to Foundation or pass through the District
- Annual scholarship communication process from schools to Foundation
- Routine reporting to each school and the District with optional reports as requested
- Information concerning District scholarships posted to the District's website

The Kenai Peninsula Foundation works through the Alaska Community Foundation. Information on both of these organizations is attached.

There is no fiscal note of liability to the District with this change, and it would be optional for schools to participate. This would be a pro-active step in the best interest of the District. I look forward to discussing this opportunity with you on May 7, 2007.

### Alaska Community Foundation

### DONOR ADVISED FUND AGREEMENT

This agreement is made by and between Nursing Education, of Kenai, Alaska ("Donor") and the Kenai Peninsula Foundation on behalf of The Alaska Community Foundation, an Alaska nonprofit corporation ("the Foundation").

WHEREAS: The Foundation strives to respond to the changing needs of the Alaska community by building permanent philanthropic capital through individual, corporate and organizational donations.

WHEREAS: XXXXX, the Donor, desires to make a lasting contribution to the Alaska community by making a donation to the Foundation through use of a donor advised fund.

NOW, THEREFORE, in consideration of the promises and of the mutual covenants contained in this Agreement, the parties agree as follows:

1. <u>Creation of Fund</u>. The Donor has irrevocably assigned, conveyed, transferred and delivered to the Foundation and the Foundation has accepted the assets set forth in the attached Exhibit "A," to be held by the Foundation, together with any other property the Foundation may subsequently at any time hold or acquire under this Agreement and all undistributed income from any such property, as a component fund for the uses and purposes and subject to the terms and conditions set forth in this Agreement.

2. <u>Name of Fund</u>. The name of the Fund shall be the Nursing Education Fund (the "Fund") of the Foundation.

3. <u>Management of Fund</u>. The Foundation shall hold, manage, invest and reinvest the Fund, shall collect the income, and shall pay and disburse the net income and principal of the Fund exclusively for general charitable uses and purposes, in accordance with the provisions specified in the Foundation's Amended and Restated Articles of Incorporation and Bylaws which provisions are hereby incorporated by reference and conclusively assented to and adopted. Assets of the Fund may be commingled for purposes of investment with other assets of the Foundation. For purposes of this instrument, the term "charitable uses and purposes" is defined as all of those activities, uses, and purposes described in Section 501(c)(3) of the Internal Revenue Code of 1986, as from time to time and amended ("the Code").

### 4. Use of the Fund.

a. The Foundation shall consider advice provided by the Donor and other qualified advisors named in the attached Exhibit "B" regarding grants or awards for charitable purposes.

b. After the death, resignation, or disqualification of the last advisor to the Fund (including the qualified initial and successor advisors named in the attached Exhibit "B"), the Fund will become an unrestricted fund of the Foundation.

c. All suggestions and recommendations made by advisors shall be consistent with the Foundation's purposes and policies as stated in its organizational and other documents. Notwithstanding any such suggestions or recommendations, final decisions as to all distributions from the Fund will be made by the Foundation's Board of Directors ("the Board").

d. Donor acknowledges that the Foundation encourages a large portion of grants or awards from the donor advised funds to be made to Alaskan charities for use within the State of Alaska.

5. <u>No Personal Use to Donors, Advisors, etc.</u> No distribution from the Fund will be used to discharge or satisfy a legally enforceable charitable pledge or obligation of any person, or pay for goods or services of value received by the Donor or any advisors under Exhibit "B", by any member of the Board or employee of the Foundation, or by any spouse, ancestor, children, grandchildren, great grandchildren, and the spouses of children, grandchildren, and great grandchildren of any such party.

6. <u>Administrative Expenses.</u> The Foundation shall charge the Fund income to the extent sufficient for reasonable and proper compensation for services and expenses of the Foundation, which compensation may be changed from time to time in the discretion of the Foundation. The current amounts to be charges against the Fund are set forth in Exhibit "C".

7. <u>Fund as Component of Foundation</u>. The parties intend that the Fund shall be a component part of the Foundation as defined In section 1.170a-9(e) (11) of the Income Tax Regulations and that nothing in this instrument shall affect the status of the Foundation as an organization (I) described in section 501(c)(3) of the Internal Revenue Code of 1986 (the "Code") and (ii) which is not a private foundation within the meaning of section 509(a) of the Code: This instrument shall be interpreted in a manner consistent with the foregoing intention and to conform with the requirements of the foregoing provisions of the federal tax laws and any regulations issued under them.

8. <u>Foundation in Good Standing.</u> All transfers of property under this instrument are subject to the condition that the Foundation, as of the date of transfer, is classified in good standing by the Internal Revenue Service as an organization (I) described in section 501 (c)(3) of the Code and (ii) which is not a private foundation as defined in section 509(a) of the Code.

9. <u>Governing Law.</u> The Fund shall be administered in and under the laws of the State of Alaska, and this instrument and its validity shall be governed by and interpreted in accordance with the laws of the State of Alaska.

10. <u>Variance Power.</u> The Foundation may modify the purposes for which this Fund is created or a condition or restriction to which it is subject, if, in the sole judgment of the Foundation's Board, such use or purpose or such condition or restriction becomes unnecessary, incapable of fulfillment, or inconsistent with the charitable needs of the Alaska community. In exercising this power of variance, the Foundation shall seek to apply distributions from the Fund in a manner as similar as possible to those set forth in section 4 of this instrument.

IN WITNESS WHEREOF, The Donor and the Foundation have executed this

Agreement on the date appearing opposite their signatures.
