

John Andrews Golden Apple Award

We, the Board of Education, would like to recognize John Andrews as an outstanding employee of the Kenai Peninsula Borough School District. Since his arrival on "the Kenai," nineteen years ago, John has been helping shape the lives of young people.

During his tenure with the district, John has been an active staff member at Kenai Junior High, Nikiski Junior/Senior High, with his most recent assignment being Skyview High School. John recently retired from teaching, but his next career will keep him actively involved with young people around the State; John has accepted a position as Events Coordinator with the Alaska Schools Activities Association.

John has been the driving force behind many regional and state meets and tournaments being held at Skyview and throughout the entire district; his efforts have led to the Peninsula becoming a mecca for school activities. His organizational skills and knowledge of school activities are just a few of the reasons that John receives praises from participants, coaches, administrators and community members. John's talent and abilities are known statewide; thus his new position with ASAA.

John Andrews has been an exceptional leader in the Kenai Peninsula Borough School District. All whom have had the opportunity to work with John will miss him. Thank you for your outstanding contribution to education and to the Kenai Peninsula Borough School District.
