

**Our Lady of the Angels Catholic Church**  
**Golden Apple Award Recipient**  
**June 6, 2005**

Today, it is more important than ever for communities to rally behind their local schools and support students in their endeavors. The Soldotna United Methodist Church and Our Lady of the Angels Catholic Church are to be commended for their interest and concern for our local students and schools.

For millions of students across America, the availability of a nutritious breakfast at school is the important start to a successful learning day. Students on the Kenai Peninsula are no exception. Starting in the 1999-2000 school year, a group of selfless and compassionate adults from the Soldotna United Methodist Church and Our Lady of the Angels Catholic Church saw a need for a school breakfast program and joined together to provide breakfast for the students of Kenai Alternative High School.

The students have not only been given the opportunity to consume thousands of nutritious breakfasts, but they have also gained a respect for the individuals providing the nourishment. The students have learned that they can rely on the volunteers; their positive influence cannot be overstated.

The Kenai Peninsula Borough School District Board of Education is honored to have quality volunteers working in our schools. We extend public recognition for outstanding service to the school district. Thank you!
