The Honorable Kurt Olson  
House of Representatives  
State Capitol Room 24  
Juneau, Alaska 99801

Dear Representative Olson,

I am writing on behalf of the Kenai Peninsula Borough School District (KPBSD) to support House Bill 313 as introduced.

In the process of maintaining our school buildings, we encounter a significant amount of projects that fall in the \$25,000 to \$75,000 dollar range. This bill would mean that a contractor would not have to pay a filing fee on those projects. The contractor would also not have to run a weekly payroll or certified payrolls which would reduce contractor overhead. This bill would also eliminate the Notice of Completion requirement with the Department of Labor for final contractor payment.

The bottom line is that this bill will allow our limited funds to go further and assist us in properly maintaining our buildings.

The Kenai Peninsula Borough School District fully supports the passage of HB 313.

Please let me know if you have any questions or need further information in regard to this matter.

Sincerely,

A handwritten signature in cursive script that reads "Dave Jones".
