RE: 2020 HOMER ELKS LODGE

SCHOLARSHIP APPLICATIONS

It is once again the time of year when our community's graduating students commence their quest for finances with which to further their education.

The Homer Elks are very proud of our continuing scholarship program which provides financial assistance for both scholastic and vocational continuing education students. We have been active with this program in our community for many years and have provided tens of thousands of dollars in scholarships to numerous local area students.

This year we anticipate awarding at least **SIX Thousand Dollars (\$6,000.00)** to deserving students in both scholastic and vocational continuing education scholarships.

Please provide interested students with a copy of the attached Homer Elks Lodge Scholarship Application. Make as many copies of this packet as necessary. These applications are due to the Homer Elks Lodge **no later than 27 March 2020.**

If you, or any student, have any questions concerning this program, please feel free to call me at the Homer Elks Lodge at 299-6150. We look forward to another great year and turn out for these awards.

Sincerely,

Michael W. Riley or
Scholarship Chairman
