

The Mae Ciechanski Scholarship Fund

Each winter the Mae Ciechanski Scholarship Fund Committee, on behalf of the City of Soldotna, conducts an annual scholarship process to determine who will receive scholarships from the Mae Ciechanski Scholarship Fund. The City of Soldotna manages a scholarship endowment which was funded through the vision and generosity of life-long resident Mae Ciechanski. The amount available this year for scholarship awards is approximately \$50,225.00. Mae Ciechanski, a life-long Alaskan and homesteader, had a strong belief that her estate should be used to benefit her community for future generations, specifically students pursuing an education. According to her long-time attorney and friend, Dale Dolifka, Mae believed that education was the best way to pull someone up by their bootstraps. However, Mae was clear that the scholarships from her endowment were not just intended for the class valedictorians; rather, she wanted to be able to help all students looking to improve their lives by pursuing a secondary education, including technical education or trade schools. In honor of Mae Ciechanski's wishes, the endowment will again award scholarships to students with a variety of goals and ambitions.

The Mae Ciechanski Scholarship Fund Committee awards scholarships based on the qualifications of each applicant.

Recipients pursuing a four-year post-secondary education or education in a vocational/technical school may receive a one-time scholarship from \$1,000.00 to \$10,000.00.
