| Registration Information | |
| Course Description (brief paragraph – as shown in your student handbook or course list) | Cooperative work experience is a junior/senior level class that allows students to be employed through a paid work setting that offers work experience in the student’s career pathway/cluster. Before the Co-op experience can begin the student must have taken one 1/2 credit course in a Career and Technical Education class related to the skills required at the job site. The job must be related to the student’s career pathway and the student must have taken or is currently enrolled in the on-line Employability Skills class. Prior to enrolling, an interview and approval of a training plan by the work coordinator is |
